

Progress

NINETEEN FORTY-THREE

Lind High School

1943

FOREWARD

Marking it the sixth time, "The Progress," has been chosen by our Senior Class as the name of our annual.

But Progress is such a big idea! Shakespeare expressed the idea of progress when he wrote,

"The fault is not in our stars,
But in ourselves, that we are underlings."

These lines of Shakespeare convey to us that it is the ability and the effort on the part of the individual that composes Progress.

It is the Spirit of Progress that guided Lindberg across the misty deep, that led Byrd to explore the frozen North, that makes men penetrate the realms of the unknown, that beckons to you and I to dare the untried future in the search of Truth, and find everlasting peace.

This year, Nineteen Hundred and forty-three it takes on an even more significant meaning. It goes back in creating the American Union when it was found necessary for each State to surrender some of its independence, some of its liberty. Again it is found necessary for every individual to give up some of their luxuries for the men that are defending our country. To buy war Bonds and Stamps, and to drop some of their peace time tasks, to join hands with their comrades in America's Armies and Arsenals. These are the things we have to do, and give up, willing to advance farther toward our goal, "Progress" that word which means "Victory" to our Nation.

It is a challenge to every human being to use their knowledge to the best of their ability, to help defend our country, to secure the future.

Yes, when the Spirit of Service to our Country ranks first in our thoughts we truly are penetrating the Spirit of Progress.

CLASS HISTORY

FRESHMAN CLASS

On September 6, 1939, twenty-one ambitious, willing Freshmen came stamping into the High School assembly to start their high school career with Miss Morton as class advisor. Business procedure soon got under way with Nick Angelo as President, Jack Scheeler as Vice President, and Carroll Lee as Secretary and Treasurer.

Many of the students took an active part in Band and Orchestra and the boys participated in the various sports.

SOPHOMORE CLASS

At the beginning of our Sophomore year we found that we lost four students, Alma Lobe, Walter Sauer, Virgil Anderson, and Billie Taylor. Jack Scheeler was elected President of the class, followed by Carroll Lee as Vice President, and Irene Shimek as Secretary and Treaurer. Mr. Cripe was our class advisor.

JUNIOR CLASS

In the gathering of our class in our Junior year our class numbered only 14. We lost Dorothy Maier, Virginia Phillips, Doris Schumaker, Carroll Lee, and Howard Wahl. We gained Sam Ragsdale and Juanita Rooney.

Officers for this year were: President, James Burgeson; Vice President, Irene Shimek; Secretary and Treasurer, Juanita Rooney; and Class Advisor, Miss Burns.

During our Junior year our outstanding talent was displayed in dramatics, band and orchestra, and atheletics. Although we were slow in deciding on class matters, once decided upon it was very sound from all ways.

The annual Junior-Senior Banquet was held on May 8, 1942, in the Home Economics room of the Lind High School, with our class President, James Burgeson, as toastmaster.

Our Junior Prom was held on March 21 with a large attendance and an enjoyable evening for all.

SENIOR CLASS

At last our dreams of becoming Seniors have come true. During the year we lost one student, Sam Ragsdale, which reduced our class to the number of 13. Our Senior class officers were: President, Jack Scheeler; Vice President, Lloyd Rushmeier; Secretary and Treasurer, Emma Kowhler; with Mr. Hardy as Class Advisor.

Our Senior Ball which was very successful, both socially and financially, was given on October 24. On March 19 we went on our Senior Sneak to Spokane to the Ice Carnival. Our Senior Play, Whowdown at Sawtooth, was presented on the evenong of May 7, 1943 and was a great success.

Our Baccalaureate Services were held on Sunday, May 16, with Commencement following on Thursday, May 20.

We, the Senior Class of 1943 have had a very successful and enjoyable high school career at Lind High School, and wish that those who follow us may have even greater success than we have had.

—Jack Scheeler

CLASS WILL

We, the class of 1943 being of supposedly sound mind and body do hereby declare the following to be our last will and testament.

Section I. We the Seniors will the Junior Class to Mr. Hardy to advise next year. And they sure do need it.

Section II. We, the Seniors will our ability not to get along as a class to the oncoming Freshman class. We only hope you have half the scraps we did.

Section III. We, the Seniors will to the Freshman class a whole batch of signed excuses in order that they may skip school at any time without having to rake the schoolyard.

Section IV. We, the Seniors will to the Sophomore class our ornery streaks. They need a little more get and go about them.

Section V. We, the Seniors will to the Juniors the right to act like Seniors when out in public. We also will them the right to sit in our seats in the Senior room only on the condition that they never harm all the marks we have left on the desks in there.

Section VI. We, the Seniors will our undone Speech assignments to Miss Krehbiel. To remember us by, mainly.

Section VII. Individual wills:
I, Jack Scheeler, will my marvelous athletic ability to Eggy Hieder. And may your muscles thrive like mine have.

I, James Burgeson, will my ability to get by without handing my Speech in till the last minute to Elaine Gfeller. You know, Elaine, this really comes in handy once in a while. Any you will graduate, also at the last minute.

I, Nick Angelo, will Oletis to Jack Kautz. And, please Jack, don't let her step out with another boy, go anywhere without you or any other thing you don't want her to do. And above all else get good and mad at her everytime you turn around.

We, the Senior Athletic boys, will to Coach Stubos the Junior Athletic boys. We're sure you'll have better luck with them than you had with us.

I, James Burgeson, will my chemical genius to Melvin Schrader. Please, Melvin, take it easy on the explosions and smells.

I, Lloyd Rushmeier, will my temper to any teacher in school who thinks he or she might need it in dealing with future Senior classes.

I, Nick Angelo, will my cars, everyone of them to anyone who has to drive 9 miles out in the country every so often. And you'll need them every one to take you there as often as you'd like to go.

I, Leslie Schnieder, will all the arguments I have had with Mr. Merriman to him. Now you can argue both sides of the questions to your hearts content.

I, Richard Kautz, will my airplane building after dances to Percy Rinker. You have to be in the right mood to take the best advantage of this, Percy.

I, Jack Scheeler, will all the fun I have had at dances to Bernard Floehter. And I only hope you can have half the good times I had.

I, Emma Koehler, will my dis interest in boyfriends to Helen Johnson. If you don't agree to this suggestion Helen, just forget it as it really isn't important.

I, Irene Shimek, will my job as editor of the Annual to anyone so unfortunate to befall the job. And may you have better luck getting the assignments turned in for yours.

I, Ted Strohmaier, will my ability to get the old man's car to go calling on my girl to Richard Wahl. It only takes a little suction, Richard.

I, Art Kulm, will my ability to make friends and keep them to Oletis Strohmaier. You know, Oletis, Art has made a great sacrifice here so please do well by him.

I, Juanita Rooney, will my vocal chords to Nora Dyck, With my singing and your yodeling you should make it to Hollywood in no time.

I, Ted Strohmaier, will my conceit and ability to get girls to run after me to Walter Heider. It really comes in handy, Walter, and believe you me, it always works.

I, Leslie Schnieder, will my opportunity to go to high school for 10 years to Sylvia Franz. You should really take advantage of this, Sylvia, as that way you wouldn't miss one little detail in your high school career.

I, Nita Phillips, will all my Othello boy friends to Adele Branson. Please take good care of them Adele because they are very fragile and very special.

I, Lloyd Rushmeier, will my failing for red heads to Bob Phillips. This will help you immeasurably, Bob because I have really had some good looking ones including the one I am stepping now.

I, Richard Kautz, will my ability to go to high school for four years without having one love affair to Clarence Strohmaier. You had better hurry and change your ways, Clarence, from the looks of things now.

I, Art Kulm, will my ability to sleep through four years of high school, graduate, and even look intelligent to Art Rooney. It worked swell for me, so let's see what you can do with it.

I, Irene Shimek, will my luckiness in skipping classes and to have my name on the absence sheet every day to Charlotte Williams. Mr. Merriman will just love you for this Charlotte, especially if he has to run after you every morning before school takes up. Oh, yes Charlotte, do be sure and get to school every morning just one minute after the tardy bell.

I, Juanita Rooney, will my ability to get myself and my whole class in trouble to Maxine Stroud. Whatever else you do along this line be sure and swipe something out of the Home Ec. Room by going through the window at least once in your high school career.

I, Emma Koehlor, will my calm, sweet ways to Ruth Gross. Please, Ruth, use these at least half as well as Emma did during her high school life.

I, Alven Dyck will my obedience to Miss Krehbiel to Cliff Pauley and Jack Kautz. Please use them better next year than you have in the past boys.

I, Nita Phillips, will my ability to settle down and study to Jack Shimek. Also my ability to get along with my teachers every one of them. You can certainly use this, Jack.

I, Alven Dyck, will my stage managing job to anyone willing to take over the job. I've already done my share.

And, last but not least, We the Seniors will the school building, the books, pencils, papers, desks, and everything else it contains to the lower classmen. Use it with as much appreciation and respect as we always have done in the past. This, we beg of you.

Signed,
The Seniors.

CLASS ADVICE

We, the Seniors of "43" advise:

Oletis Strohmaier to start giving the other boys in high school a break because after all Nick won't be back.

Jack Kautz to get your work in on time. I think Miss Krehbiel would appreciate that.

Clifford Pouley to keep up the friendly relations with coach and the good basketball so that next year you may have a permanent position on the starting five.

Opal Phillips not to get to serious about Lloyd because you are still very young and brighter days may lie ahead.

Dorothy Gross to turn her attention to the high school boys and leave the alumni alone. After all you are still in high school.

Oletis Strohmaier to be more sociable and take a different trend in life. Whether or not you realize it, one's personality is a great factor in determining success and happiness in future years. I think this should take some bearing on your present attitude.

Walter Heider to keep trying. Some day you may be one of the greatest basketball players ever to leave Lind High School.

Clarence Strohmaier to wake up and act your age. Your not the only student in school.

Clara and Sylvia Franz to work hard and strive to put out a better school paper than ours. This may be quite hard to do as we usually went to great extremes to make ours the best.

Alfred Fode to keep up the good work in sports. With one or two others like you, the school may boast of a champion team in at least one of the sports and possibly all. We never could lead a team to a championship.

Jack Kautz and Clifford Pouley to stop fighting with Oletis and Grossy. Remember boys it isn't good manners and you don't have a chance anyway.

Kenneth Plager to carry on with the chemical work. Be sure you are doing the right thing at all times because you haven't a new school building yet and the present one will have to last for a few more years. Remember James won't be back to watch you next year.

Bernard Floether to turn his attention to other matters rather than continually on Hazel Pence. Better take heed Bernard. It may help you.

Bob Phillips to quit disturbing everyone else in the class. Better watch Robert or one of these days you will find yourself with a short vacation by demand of some of your uppers.

Bob Maier not to play football when the rest of the boys are playing basketball. We realize your football abilities but the boys might get hurt and you know how Mr. Stubbs would like to have some of his first stringers on the bench.

Betty Schumaker to lay off the army boys. There are so many high school boys who are so lonely and should be cheered up.

Ruth Gross and Lois Ragsdale to take part in some of the high school activities. There are so many and I'm sure you will never regret it. Remember the school is small and needs your cooperation.

Alvin Heider to keep trying. Some day you will jump over that seven foot wall with great ease. Break all records in the one hundred yard dash and be the greatest basketball player that entered that profession.

Maxine Stroud to give some of the high school boys a little bit of attention. I'm sure they would appreciate that.

Percy Rinker to be careful and watch your step. Remember a step once taken cannot be easily retaken and it may mean the wrong course you are taking. So stop, look, and listen, then take your final course.

Jack Shimek to be considerate of the girls he brings to dances and the ones he takes home. Meaning, of course, the one he brought to the Junior Prom.

Carol Watkins to use her own mind. Too many influences from many sources can be very harmful at times. Please take heed and don't disappoint us Carol.

Glenna Wirth to keep up the good work in all your classes. Bear in mind Glenna, that it is better for yourself and the teachers will appreciate it. Also, your present grades may help your average for all four years of school. It may even help you to win one of the two high honors of the Senior class.

Helen Johnson to get her humor from someone other than Oletis Strohmaier. Remember humor from the same source continuously does become tiresome to your reading public. It might possibly better your humor page.

Gladys Rott to take her mind off of the boys long enough to take a good breath and realize that there are many more important matters to be tended too. Please let this advice soak in thoroughly before taking action.

Richard Wahl to stay on the good side of Helen Johnson. Remember Richard she is a swell kid and you two will have to carry on where Nick and Oletis leave off.

Next years Freshmen to take their initiation good naturedly and do as you are told. You will find that it is fun and the upper classmen will appreciate your sportsmanship.

Next years Senior class to enter their last year of high school with the intention of accomplishing as much as possible and set an example for all the rest of the underclassmen to follow for many years in the future.

The underclassmen not to take our departure from good old Lind High School, to hard because there will always be another Senior class and this is only another step in our everyday lives.

—Jack Scheeler

CLASS PROPHECY

My, my,here it is 1963 already. Twenty years since we, the Class of 1943 graduated from good old Lind High School. I've been wondering lately just what some of my old pals have done with their lives. Ho, hum, I guess the sandman is catching up with me at last.

(Dream)

James Burgeson our prized chemist in good ol Lind High is still carrying on his life long ambition in the line of Chemistry. He is now the professor of Chemistry at Vassar. (And doing right well for himself, at that) Our genius of the class of 43 has also contributed to the world of inventions.He has invented spectacles with lines on the lenses. He states that three billion twenty one million bottles of ink may be saved in one year. This invention helps him a great deal in the Speech assignments of which Miss Krehbiel has been receiving from him regularly once a month.

We find our dead panned master of the model air plane, Richard Kautz still, after twenty years, constructing and flying them. However, it is not his hobby anymore. He is now employed at the Tootsie Wootsie Toy Company as chief model air plane builder. He is making quite a hit with the kiddies of which he has a few.

Irene Shimek has finished her nurses training and is chief nurse in the basement of the Bug House at Medical Lake. Her work consists of helping the inmates in and out of their strait jackets.

Leslie Schnieder is now a Junior and is gaining knowledge year by year. Mr. Merriman states that if the crops are good, the weather not too cold or too hot, etc. Leslie will graduate in 1983.

Nita Rooney is now rounding out her 18th year in the State Penitentary. She was finally caught in the act of stealing ice cream. James Burgeson, who was the brains of the outfit at the time disappeared and left Nita holding the sack, or was it the pan.

Alven Dyck our back stage artist of 1943 is still back stage. He is now assistant stage manager of the Metropolitan Opera. He has now grown five more hands and he can't use his favorite saying about only having two hands now. Oh yes, he

has so much electricity in him from turning on and off various light switches that every time he blows his nose he lights up like a christmas tree.

Lloyd Rushmeier, the sheik of 1943, is now spending his time between his thriving business as President of Linds one man Street Cleaners Association and keeping the wolves away from his twelve beautiful red headed daughters.

Wanita Phillips is now the head of the "Grab 'Em Quick" matrimonial bureau. You'd never know her if you saw her. She is now a (ahem) platinum blonde, with just a little peroxide. She says she must resign her position soon because she has just received a very promising letter from Othello which must be looked into as soon as possible.

Nick Angelo, after returning from World War II a national hero is now the champion of all rail lifters on the Milwaukee Railroad extra gang. He has found him a nice little blonde that just suited him and now keeps in practice for his rail lifting by lifting the little Nicks' around during his time off.

Art Kulm is now being employed by the W. P. A. He let me in on a little secret which he says not to breathe to a soul. He has just invented a shovel which can be turned into a comfortable chair by the push of a button. He doesn't want this known because if it gets back to his boss he says he might have to do some work which wouldn't agree with him at all.

Jack Scheeler is now head Doctor at a hospital for young women exclusively. You just ought to see the good looking patients he has. Not omitting his beautiful office nurse. Woo! Woo! When he can tear himself away from his patients, he attends every dance in the country that is within a radius of 300 miles and everytime you see him he has a different 'babe'.

Ted Strohmaier is now farming all of Adams County. He also makes a weekly visit to the 'Pon' to see Nita Rooney. He says he has never given up hope and after she finishes her 25 year term he has big hopes for the future. A cook for his ranch, namely.

Emma Kochler is now working to get the highest average ever to be earned at the University of Washington. She has just been going to school for 20 years to do it but hopes to achieve her aim before too much longer.

SENIOR ACTIVITIES

SENIOR BALL

Beautiful dresses and exquisite decorations marked the outstanding features of the annual Senior Ball given by the Seniors of "43", October 24, 1942.

The main attraction was the old fashion Dutch Windmill and the beautiful tulip garden. The tulips were placed around on the stage to form a tulip garden.

Music was furnished by the "Five Jives" of Othello. They played many popular numbers and succeeded in keeping the crowd happily entertained.

A large crowd attended and a good sum of money was taken in as a credit to our treasure.

As a whole, the dance was a great success being given during this great war panic.

SENIOR PLAY

The Senior Play of the Class of 1943 was presented in the gymnasium on the evening of May 7, 1943. The play was a mystery-comedy and drew a large crowd. The Seniors took in around $89.00 on the play and the matinee together.

The scene of the play was at a lonely desert hotel between two mountain peaks. On the highest peak, Old Sawtooth Mountain, was an air beacon that made its solemn rounds at regular intervals. At the beginning of the play, Slim Higganbottom, the proprieter of the hotel was singing dolefully at "Clementine" when the door burst open and Ben Lawrence, a ne'er do well miner entered. Next person to enter was Martha Ward, a pretty young girls who ran the restaurant across the road and who was unable to get home because of the bad roads. She, also, was forced to spend the night at Slim's Place. Then Josiah Tuttle entered the scene. He was a very absent minded Professor who was there to deliver some highly secretive papers to a Captain Cartwright. Then Elmira Mabee, a woman from a matrimonial bureau entered the picture. (The only trouble was that Slim knew nothing about her being connected with the bureau.) Then two Captain Cartwrights entered the scene. Neither knew anything about the other. This mystified Slim and Martha and the plot thickened considerably. Next came Annie Little Pony, an Indian servant of Slim's. She had her hand in the mix-up also when she gave Slim's key to the air beacon to a friend of Bens. Then Luly Hugger entered the scene. Slim thought her to be the woman from the matrimonial bureau so she played that she was. Then horrors of horrors, the beacon was smashed. Then came the problem of finding who smashed it. After the blame was placed on practically every character in the play, Ben Lawrence finally solved the mystery when he gave proof that Lulu Hugger had done all the dirty work. Then came the last scene. It was of Slim and Elmira after they had confessed their feelings for each other. This made a very effective ending for the play as they were both very bashful characters.

Alven Dyck, Arthur Kulm, Leslie Schnieder worked the sound and lighting behind the stage and James Burgeson and Nick Angelo constructed the rain which made the play very realistic.

The cast was as follows: Slim, James Burgeson, Ben, Nick Angelo, Martha, Juanita Rooney, Elmira, Sylvia Franz, Tuttle, Richard Kautz, Annie, Emma Koehler, Lowell Cartwright, Lloyd Rushmeier, Leroy Cartwright, Jack Schoeler, Lulu, Irene Shimek.

SENIOR SNEAK

Thirteen happy looking Senior's chaperoned by T. N. Hardy our Class Advisor left at 6 O'clock Friday morning March Nineteenth nineteen hundred and forty three. The day chosen for our Senior Sneak.

We went in two cars driven by T. N. Hardy, and Jack Scheeler to Spokane to attend the Ice Carnival being held at the Ice Arena. By the time we reached Cheney most of us were hungry so we had breakfast at the College Cafe at Cheney.

Between Cheney and Spokane we ran into a snow storm which was over by the time we reached Spokane so it never spoiled the day for us. Most of the day was spent in going to shows and walking about from place to place until time for the Ice Carnival.

We left for home at 11:30 that same evening. A good time was enjoyed by everyone and we all thought our sneak was one of the best ever held.

CLASS DAY PROGRAM

The annual Class Day Program was presented by the Senior Class on the evening of May 18, 1943 in the High School Gymnasium. A large crowd attended and enjoyed the last acting of the Seniors of 1943. The program was very successful and will leave a lasting memory of the Senior Class of 1943.

The program was as follows:

Announcer	Jack Scheeler
Class History	James Burgeson
Trombone Solo	Walter Watkins
Class Advice	Jack Scheeler

CLASS MEMORIAL

It has been the custom of the Senior Class to leave a memorial to the school.

The Senior Class of nineteen-hundred and forty-three have decided to leave a Micro Projector and two rolls of Kodachrome films.

The Micro Projector will be very handy because, through a little adjustment it will enlarge pictures taken from a book and present it on the screen. It can be used in connection with the microscope.

The two rolls of films are presented by the class, for Mr. Merriman to take pictures of the Senior Class during the last few weeks of school.

--Alven Dyck

SENIOR FLAG

As is the usual custom the Seniors this year put up a flag. It was a beautiful blue creation with "Almighty Seniors" written on it in white letters. The flag was made by Wanita Phillips, Juanita Rooney, and Emma Koehlor.

The flag was put up at approximately six o'clock in the evening on the night of May 14. None of the underclassmen showed their faces until about 8:30. From then on there was not one moments peace on the pole which was down by the N. P. Railroad tracks.

Several attempts were made for the flag and small skirmishes ensued. However, they were unable to get the flag until about eleven when a large number of the alumni and eighth graders came to their aid. When they arrived the Seniors were outnumbered about 5 to 1. Jack Kautz finally succeeded in climbing the pole after several unsuccessful attempts. He grabbed the flag and saw he would be unable to get down the pole in one piece so he threw it. Nick Angelo was able to grab it and he fell on it. Then was when things really began to move. Everyone was fighting everyone else, not caring much who it was. After knocking several of the Seniors cold so they they were outnumbered to the degree when it was impossible to do anything else the underclassmen, with the help of the grade school, AND the alumni finally succeeded in winning the flag.

COMMENCEMENT

The Commencement Exercises were held in the Lind High School Gymnasium on Thursday evening, May 20, at 8:00 o'clock.

The Lind High School Band furnished the music and twelve Seniors of 1943 marched solemnly forward to receive their diplomas of graduation which they had worked hard for, for twelve years.

Irene Shimek gave the salutatory address of welcome and the valedictory address was by Emma Koehler. The very interesting commencement address, was given by Albert P. Ludwig, head of the Dept. of History and Social Science, Eastern Washington College of Education.

The stage was beautifully decorated by the Junior Class in the Senior Class colors and flowers of the season.

Special music was furnished by the Girl's Glee Club directed by Miss Gertrude Krehbiel and the Lind School Band under the direction of Mr. C. Oliver Fuller.

The Honor Cup and other special awards were presented by Principal Horace Merriman.

JUNIOR RESUME

The Junior Class started the year in good spirits, and with the intention and ambition of getting as much as possible out of it. Sometimes our intentions were to high for our ambition, but for the most part we did our level best. We always had plenty of fun mixed in the things we attempted to do, but we could be very serious if the occasion called for it.

Our class was represented in all the school activities this year: Glee Club, Athletics, Band, Orchestra, Dramatics, Journalism, and Girl's League.

In spite of the war and the difficulties it brings with it we were able to put on a very successful Prom and even with the problem before us of food rationing, we managed to have an excellent Junior-Senior Banquet.

The officers of our class were as follows:

President	Clara Franz
Vice President	Oletis Strohmaier
Secretary & Treasurer	Sylvia Franz
Class Advisor	Miss Enid Burns
Class Colors	Green and White
Class Flower	Assorted Roses
Class Motto	The Elevator To Success is Not Running STAIRS THE TAKE

--Clara Franz

JUNIOR PROM

Under a ceiling of green and white streamers and an atmosphere of Hawaiin moonlight the fellows and their best gals danced a very enjoyable evening away.

Our two experts,the only two, Jack Kautz and Cliff Pauley were responsible for the lighting effects.

Both sweet and swing music were featured by the Five Jives much to the liking of every listener and dancer. A romantic atmosphere, good music and a large attendance made March 21 a perfect evening for all concerned.

--Helen Johnson

JUNIOR SENIOR BANQUET

The annual Junior-Senior Banquet was held Wednesday evening May 5, 1943 in the Home Economics room.

The room was beautifully decorated with a pole in center and green and white streamers going down to resemble a May Pole, while assorted tulips vivid among rays of candles adorned the tables.

The dinner, starting with shrimp cocktail, and ending with cherry pie a la mode, between which was served magnificient creamed chicken was one that couldn't possible be beaten.

Jack Kautz proved to be a very efficient toastmaster.After Clara Franz rendered her speech the dinner began. Helen J. was called upon for a piano solo for which she played Narcisus. Mr. Hardy gave a very entertaining speech on rules of gardening applied to life. Mr. Merriman was called upon next to talk about cabbage heads and he seemed quite an authority on the subject. The honors of speech making went to Jack Scheeler, whose subject was forget-me-nots. A vocal duet "Till We Meet Again" sung by Helen Johnson and Juanita Rooney marked the end of our Junior-Senior Banquet taking with them the memories of a wonderful banquet.

SOPHOMORE RESUME

Monday, August 31, 1942, 17 very ambitious sophomores slowly gathered into the home room.

In the early part of the first semester the class of 1945 gave a very successful all high school party. Refreshments were served and entertainment was furnished for all.

During the school term the sophomore boys made a wonderful turn out for all the sports. They also won us the title of "The all high school champions" by not being defeated once during the intermural basketball games.

The sophomore girls also took an active part in P. E., Home Economics, and other activities.

At Christmas time we held our annual Freshmen Sophomore party with the usual exchange of gifts among the students.

For the larger share of the six week periods we kept our class average topping all other classes.

Our class officers for the school term were as follows:

President----------Richard Wahl
Vice President----------Opal Phillips
Secretary & Treasure----------Hazel Pence
Student Body Delegates----------Hazel Baumgart, Richard Wahl, Bob Phillips, and Alfred Fode

FRESHMEN RESUME

Twenty two wide eyed Freshmen started their high school career on August 30, 1942. The Freshmen came marching in to take their seats that had been reserved for them in the assembly.

The Freshmen took their initiation exercises wonderfully, held on September 11, 1942, and were thought of as being very good sports.

On December 4, 1942 they sponsored their first all high school party which was held after a basketball game played here with Warden. The players of Warden were asked to attend which they accepted full-heartily. The evening was spent in playing games and appetizing refreshments were served. The remaining part of the evening was spent in dancing. Everyone attending reported an enjoyable evening.

During the year we lost two members of our class, Donald Bauman and Melvin Tompkins and gained a new member, Charles Beaudreau who had attended our school in the past years.

We the students of the Freshmen class, wish to thank our teachers, our class advisor, and the Superintendent, and the Principal for the help and patience they have shown us.

SCRAP DRIVE

One of the major defense activities of the Lind Schools during the past year has been in the collection of scrap of all kinds.

Contests were held throughout the school and all grades from the 1st through the 12th were represented. High school boys did much heavy work envolved in loading and unloading the scrap iron. The girls and younger children cooperated in collecting smaller articles and in locating scrap iron for the trucks to haul to the school scrap pile. This pile extended the full length of the school yard and at one time held over 100 tons of scrap iron.

The school collected over $1200 for scrap. These funds were divided equally between the athletic department, the school band, and the grades.

Much enthusiasm has been manifested in our scrap drives and we know that the same patriotic spirit will prevail in all future drives for defense.

The following is a summary of scrap collected:

Waste paper----------7 tons.
Scrap iron----------141 tons.
Miscellaneous metals--1,594 lbs.
Scrap rubber----------5 tons.

ALL HIGH PLAY

"Girl Shy" a three act play was given in the Lind Gymnasium, Friday night, November 13, 1942.

The plot is as follows:

Handsome Tom Arsdale and his lady-killer roommate, Oke, are on the verge of graduating from college. Tom has a terrific reputation as a woman-hater. He wishes he could stop being "Girl Shy" and meet nice girls like--well, take Babs Sanford! His roommate, Oke, is a tremendous contrast to Tom. Oke loves girls. He adores them. And he's faithful to two and three at a time. Thinking that Tom has a hatred for women, Babs Sanford decides she'll do something about it. She manages to change places with the girl who cleans up Tom's and Oke's room. This should give her a chance to work on girl-shy Tom, and it certainly does. Then just as something beautiful starts to develop between Tom and Babs, in comes Tom's father with a girl from home. Tom's father thinks the girl from home is just the girl for Tom. Babs is put on the spot when the girl she changed places with returns. The mixup grows, and poor Tom wishes he could just evaporate out of it all. But everything turns out all right and everyone is happy.

JOURNALISM

At the beginning of the school year the Journalism class of 1942-43 was organized. The staff, although rather small, proved very efficient. It was made up entirely of Seniors. Irene Shimek was Editor-in-Chief, Jack Scheeler was Sports Editor, Juanita Rooney was Humor Editor, and Lloyd Rushmeier and Ted Strohmaier were reporters.

During the first semester Ted Strohmaier and Lloyd Rushmeier resigned from the staff leaving only Jack Scheeler, Irene Shimek and Juanita Rooney.

The beginning of the second semester brought about more changes. Four members of the Junior class were added. They were, Clara Franz, Sylvia Franz, Helen Johnson, and Jack Kautz. During the second semester Irene Shimek and Jack Scheeler were appointed as Editor and Assistant Editor of the 1943 edition of "The Progress."

After reorganization the staff was as follows: Juanita Rooney, Editor, Clara and Sylvia Franz, reporters, Helen Johnson, Humor Editor, and Jack Kautz, Sports Editor.

During the year there was a decided change in the paper and people were well-satisfied.

GIRL'S LEAGUE

The Girl's League is an organization to which every girl of Lind High School may belong.

The Club was organized in the fall of Nineteen Hundred and forty-two, under the direction of Miss McDonald, with officers

President---------- Emma Koehler
Vice President---------- Juanita Rooney
Secretary---------- Maxine Stroud
Treasure---------- Clara Franz
Seregant of Arms---------- Lorraine Tompkins

The purposes of the League are: to take an active interest in all school affairs; to improve the school in as many ways as possible for the benefit of the students and teachers, and most important of all to help the "War Effort."

Business meetings are held every other Wednesday in room 303, with "One for all and All for one," as the Leagues motto, and Red, White, and Blue as our colors.

The League has had several successful projects this year, The Bond and Stamp Drive; improvement of the Girl's dressing room in Gym; Bulletin board in the upstairs hall; and the Book Drive.

"Service," to our nation and school has been the watchword of the Girl's League this year, and this, no doubt, is the reason for a successful year, with the effort of every member to make it so.

FOOTBALL

Football this year at Lind High School was a great deal different from that of other years. Due to the war we were unable to use school buses for transportation.

However, we didn't let a little thing like that stand in our way, we decided to have intermural football. Two six man teams were chosen, with each team choosing their own captains. The two teams were named the Panthers and the Cougars. Jack Scheeler was chosen as captain of the Panthers, and Lloyd Rushmeier was chosen as captain of the Cougars.

All the boys took great interest and worked hard to make the best of the season, which turned out to be very successful.

We played the last year alumni and came through to win a very close game. For this game we made up a six man team from the two teams.

We also played one outside game with Ritzville, which was an eleven man game which was a great handicap to the Lind Bulldogs who had been playing six man football all season. It was a hard fought game to the finish. Every time Lind would start marching down the field Ritzville sent in a new team too stop the march.

The results of the season were as follows:

Panthers	Cougars
8	6
13	14
13	13
25	14
0	40
2	13

Alumni	We
12	14

Ritzville	We

BASKETBALL

This year Lind had one of the most successful basketball seasons ever to be set in Lind High School, winning seven out of the eleven games played.

Seven out of eleven games is a record that we can all be proud of. No one knows just what the reason for this successful season can be based on. Whether it was our new coach Nelson Stubbs or whether the boys just got down to business and decided they would make it a good basketball season.

The Lind team scored 333 points against their opponents 256.

The teams played were as follows:

TEAM	PLACE	WE	THEY
Warden	Here	36	14
Ritzville	There	21	39
Sprague	Here	17	31

PRE-INDUCTION COURSE

The Athletic program was changed this year from the regular baseball schedule to a Pre-induction program.

An obstacle course consists of the following obstacles: Eight and one half foot wall, hurdles, vaulting bench pyramid, fence, log and the tunnel.

This obstacle course was built by the boys taking the training.

In addition to the course were tumbling, bar work, calithenics, and swimming. Sweaters were awarded to the six outstanding players which were judged in contests based on points.

The following boys recieved sweater awards: Jack Kautz, Richard Wahl, Clifford Pouley, Bob Maier, Walter Heider, and Bob Phillips.

GIRL'S P.E.

The girls' Physical Education classes this year have been highly successful. The girls partaking in P. E. have gained a vast knowledge of several of the girls sports. The sports which we have had this year are: swimming, baseball, basketball, folk dancing, archery, tennis, hiking, badminton, and volleyball. No inter-class tournaments were held this year as very few girls in some of the classes were interested enough to take part. Also, there were no play days held for the girls this year due to the gas rationing.

At the beginning of the year there were two girls' P. E. classes. The Freshmen girls with Miss Burns as their teacher and the rest of the high school girls in another class under Miss MacDonald. At the middle of the year Miss MacDonald was forced to resign her position as teacher because of ill health so the two classes went to-gether as one class under Miss Burns.

Letter awards went to the following girls this year: Opal Phillips, Ruth Gross, Bettie Schumaker, and Irene Shimek. Only one sweater was awarded and it went to Irene Shimek who has had four years of physical education.

MUSIC

Band

Director--C. Oliver Fuller

BAND

The band this year consisted of 42 members. All the members were in Junior High and Grade school except nine. The nine high school students were, Clarence Strohmaier, Walter Watkins, Gladys Rott, Marigene Phillips, Percy Rinker, Eldon Coaine, Nick Angelo, Helen Johnson, and Irene Shimek.

The band made many very successful appearances during the year. They played for Assembly Programs and concerts. For their numbers the band played many patriotic numbers as well as classical music. They assisted in the scrap drive at the beginning of the year and played at the Ritzville football game also.

The proceeds from the scrap drive netted the band $600 in Defense Bonds with which they plan to buy uniforms after the war.

It was impossible for the band to go to Cheney to the contest this year so the school hired two judges to come down from Spokane. The band rated a Superior much to the pleasure of everyone concerned.

ORCHESTRA

The orchestra this year consisted of only string instruments. All the members were in Grade school except Helen J. who played the piano. Despite the fact that the members were so young it was a very successful organization.

The string group played for the plays, for Baccalaureate and many other programs during the year.

Mr. Fuller arranged most of the music for the group and this proved very successful for the group and also for the audiences they played for.

Patriotic Assembly Program-------"My Own U. S. A."
Class Day Program---------- Musical Skit
Baccalaureate----------"The Green Cathedral" and
"Recessional"
Commencement----------"I Heard a Forest Praying" and

CALENDAR

CALENDAR

AUGUST

31--School starts and with it starts nine months of torture.

SEPTEMBER

1--First Student Council meeting with President James B. in charge.

3--Grossie learns to drive in Carroll Lee's jitney. Some fun and also no sleep for some people.

11--First football game of the season. Intermural game with the Cougars winning.

First National Assembly program featuring the "Gay Vaqueros" entertaining. They were good.

Frosh initiation party. Did they look funny going around dressed as babys.

15--Alumni versus High School football game. I guess we showed them.

16--End of Frosh initiation. What a relief!

25--Another intermural football game. This time the Panthers won by a score of 8-6. Pretty close.

29--Mrs. Davenport's first book review of the year. The name of the book was, "Back from Brittainy" and it was good.

30--Scrap Drive contest starts in the Lind School. You should have seen the school yard, or should I say junk yard?

OCTOBER

2--Band gets new Glockenspiel.

5--Girls Quartette makes it's first performance for the year at Commercial Club. They're good.

7--First cramming done this year. Isn't it awful?

9--End of first six weeks and tests are over. This is what we don't like about school.

12--Nelson's Studio came down to contract the Seniors for their graduation pictures.

13--High school boys loaded scrap at railroad tracks all day and Home Ec. girls served them a luncheon.

15--Leslie becomes worried because Congress lowered the draft age to eighteen years of age.

16--Sophomores entertain at All High School party. Good time.

Sophomores have highest average for first school period.

Betty Schumaker entertained the U.S. Army on the school lawn. How does she rate?

OCTOBER

20--Mrs. Davenport came again and reviewed the book, "Trailer Trio."

20--Newest love affair in school gets under way. Meaning Wanita Phillips and Gordon Brugeman of course.

22--Ice cream disappears from Home Ec. Room and of course the Seniors were blamed for swiping it. Unlawfully.

23--Decorating for Senior Ball for past week.
Football game. It was a tie--13-13.

24--Annual Senior Ball and was it nece. Decorations were in a Dutch Motif with tulips windmills and all. It was also astounding how Jack Scheeler made the wheel of the windmill move so unearthly fast.

27--Tryouts for All High Play. First night of play practice. It was fun.

30--Football game. Cougars won 45-0. A bit one sided.

31--Halloween. Spooks and all.

NOVEMBER

1--Oletis embarrassed on the way home from the show. She should learn to control her emotions.

4--National Assembly Program. Robert T. Edgar gave a talk on Mt. Palomar. It was very interesting.

4--Archery tournament ends in Girls Physical Education class. Opal Phillips was the winner.

6--Last Intermural Football Game. Cougars won the game and also the tournament. Hooray for the Cougars!!!
Parent's Night.

10--Patriotic Program held in Gym in the afternoon.

11--Armistice Day and no school. Such luxury.

13--All High School Play presented. Name of it was "Girl Shy" and it was a big success.

17--Mrs. Davenport gave another good book review.

20--Gas rationing registration completed. I guess this means no more parking for some couples around here.

20--Football game at Ritzville. We lost, worse luck.

21--Sub-Deb Club gives dance at the Grange Hall. Everyone enjoyed themselves immensely. Except maybe Jack S.

24--End of the second six weeks period. Aren't those exams the bunk?

26--Thanksgiving and two days of vacation to get over our stomach aches.

30--Basketball practice starts.
Hot lunches start serving with 99 the first day.
School buys 31 new sweatsuits.
Stella Blythe enters Lind School in the Sophomore Class and is she cute.
Something new has been added! School buys dictaphone.

DECEMBER

2—Girl's League starts War Stamp and Bond drive. Winner of the contest receives free stamps.

4—Our first Basketball game. We played Warden and beat them 45-15. Isn't that wonderful?

Freshman give All High Party. Invited Warden boys and started new romance between Gladys Rott and Leroy Gerlack of Warden. Ain't love grand?

7—Class averages turned in for second six weeks period. Sophomores win again.

8—School closed on account of deep snow. Good coasting.

11—Boys go to Ritzville to play basketball. We lost 39-21. The first conference game, too.

17—Community Christmas Program with band and glee club providing entertainment.

18—All home-room classes have Christman parties.

School closes for Christmas vacation. Ten whole days.

We played Sprague here and lost by score of 37-17.

25—Santa Claus visited all good girls and boys.

28—School re-opened after vacation. So hard to get back to the daily grind.

High School played Alumni basketball. We won by a score of 26-22.

31—Fireman's Ball. Such a good time and so much entertainment put on by Richard Kautz as well as Fireman.

JANUARY

1—New Year's Day and also a day of vacation to recuperate from the dance the night before.

4—Seniors order announcemnts. Imagine them thinking of such a thing as graduation.

6—Miss MacDonald absent for the past two weeks. She was ill.

Basketball with Othello. We won 37-10. Why can't we do that in Conference games?

11—Mr. Stubbs attended a conference in Spokane.

14—Played Warden basketball again. We also won again by a score of 41-18.

15—End of the first semester of school and end of tests. And were we glad!

Played Sprague basketball up there. Wonder of wonders we won by a score of 28-23.

18—Paper staff changes hands. Annual staff starts to work.

Edith Butler takes over the position of school clerk.

19—Supplies arrive for the "1943 Progress."

20—Miss Burns asks the school "Muggers" to leave their place on the dark steps in the gym for lighter habitats.

Penny drive ends with Irene Shimek turning the greatest number of pennies in.

JANUARY

22--School closed on last two days on account of blizzard.

26--Mrs. Davenport came and reviewed the book "The Day Must Dawn". It was good as usual.

28--School closed for two weeks to keep the measles epidemic from spreading in Lind. Just think, two whole weeks with not one lesson to prepare.

FEBRUARY

17--School closed on account of muddy roads. Wasn't it super? All that vacation.

18--School re-opens after two and one half week . holiday.

19--Ritzville played a basketball game here. We lost by a score of 28-23. And we wanted so much to beat them.

22--Went to school on Washington's Birthday so we would get out a day earlier in the Spring.

23--Mrs. Davenport came again and reviewed the book, "The Rumpleharts of Rampler Avenue." This was about the best book yet reviewed.

Played Ritzville basketball up there and lost again by a score of 21-17. Wasn't that awful?

24--Had a fire drill and cleared the building in 43 seconds. Aren't we good?

Junior set date for their Prom. It's to be March 20.

26--Registration for War Ration Book #2 over with 1,152 books issued by the teachers.

Seniors get measured for their gowns. Someone must think they will graduate.

James drags his old flivver out of the mothballs again.

MARCH

1--P. E. girls take up the ancient art of fencing. You should have seen them.

Nick starts sporting his new car. It's considered class after the last one he had.

2--End of the fourth six weeks period and tests are over once again. Thank heavens.

3--Miss MacDonald resigns from her teaching position on account of ill health. We hated to see her go.

6--Party given at the grange hall for Neil Hughes who left for California next day. Everyone had fun dancing.

16--Photographer from Ritzville came down to take group pictures for the Annual.

20--Juniors got to show what they had in them when they gave their very successful Prom. Not as good as either of the Senior dances but it was all right.

23--Mrs. Davenport presented her last book review for the year. Gee, we hated to see her go.

26--First Defense Bond and Stamp Drive closed. A Victory program was held in the gym. Lot's of acting.

MARCH

29--Sam Hayes mentioned Lind's Bond Drive on his Newscast and boy did we feel proud of ourselves.

APRIL

1--April Fool's Day.
2--Rudolph Haybrook spoke in front of the Student Body about England in wartime. It was very interesting.
9--Fifth six-weeks period is over. Only one more to go.
12--Second Defense Bond and Stamp Drive started.
13--Seniors decide to leave a Micro-Projector and some rolls of Kodra-chrome films as Memorial to school.
14--Girls League sends 160 books to the Ephrata Air Base. Won't those soldiers appreciate us?
16--Sophomores sponsore a very entertaining party.
17--Solo contest in Spokane. Walter Watkins got a Superior in the National again. Some of the others also got ratings to be proud of.
19--Student Body holds election of officers for next year. Roberta Schoessler gets Yell Queen. And only going to be a Freshman. Keep up the good work, Roberta.
20--National Assembly Program. The Creations. They were good.
28--Mr. Baxter and Mr. Bahr judge the band. They got a Superior. Something to be proud of.

MAY

5--Juniors give Seniors banquet. We had a very enjoyable time, although of course it didn't compare with the one we gave last year.
7--Seniors present play, "Showdown at Sawtooth." It was a huge success and everyone enjoyed it, we hope.
14--8th Grade hold their banquet.
16--Baccalaureate. It's almost over now.
18--Class Day Program. On top of all else there were 7 sweater awards made. This is the first time that boys as well as girls are awarded sweaters for athletic work. Those who received sweaters were: Bob Maier, Bob Phillips, Cliff Pauley, Jack Kautz, Richard Wahl, and Walter Heider for the boys and Irene Shimek was the only girl.
20--All over now. Commencement was a huge success with Emma Koehler giving the Valedictorian's Address and Irene Shimek giving the Salutatorian's Address. The end of twelve years of hard work.
