SUPERINTENDENT AND PRINCIPAL

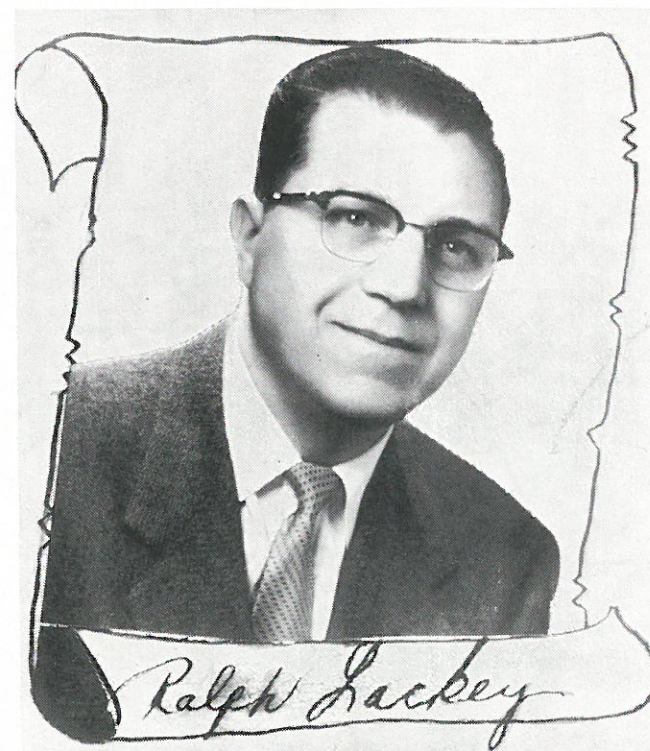

MR. SAYRE'S MESSAGE

To the class of 1954 we express our earnest wishes of good will as you go on to the opportunities and challenges of adult life. May the education received here serve you well in all that you undertake. As you shoulder responsibility may the faith that has built America be yours,—faith in all the precious ideals in the blueprint of liberty and freedom for mankind. Finally we wish for you strong arms and strong hearts to carry out your high resolves. May you be endowed with undying hope, unswerving courage, and uplifted vision as you take your place as citizens in our great nation.

MR. LACKEY'S MESSAGE

In the ruins of Ur a room has been unearthed that was a school 4,500 years ago. Clay tablets of instruction used there still exist. Schools and education have been a part of every known civilization.

Education is responsible for maintaining continuity of thought and culture and moral values between present and past. There is a great need in this confused world of today for better morals, more self-discipline, and sounder sense of values. Possibly the greatest contribution Education can make toward meeting that need is to give all who pass through its doors a deeper awareness of what we owe to the great artists, and scientists, the teachers, thinkers, inventors, the explorers, and statesmen, the poets and patriots of the past.

Connie Bauer was chosen Sophomore Princess for the Homecoming Game as part of the Royalty.

They had a roller skating dance in the Spring.

PEP CLUB

The Pep Club consists of most of the senior high girls. This Club was organized for the purpose of supporting the team during the games. While the boys play, the girls keep up their spirits by yelling; they also entertain the public during the half. This year they gave a dance after the Homecoming Game and bought red hats with Ritzville written on them to wear to the games.

YELL LEADERS

The great deal of credit is due to our yell leaders for the wonderful job they have done. They have tried hard to keep the school spirit as it should be. When games have been close their leading our yells was an inspiration to the boys so that they put forth more effort to win.

F. H. A.

The Ritzville Chapter of Future Homemakers of America with a total membership of 36, have had a successful year under the leadership of Miss Marion Todd.

We have had many projects this year which we do annually, some of these include the selling of candy, ice cream bars, popsicles, and pom poms at the games and at the local county fair. We also sold holly at Christmas as a money making project.

We took in 12 new members this year and held formal initiation and a program for them.

Last fall we attended the Eastern Regional meeting at Palouse.

Parties that the chapter held were the Hallowe'en party, Thanksgiving dance and our Annual Christmas potluck, with the caroling party and exchanging of gifts.

In January we honored the school board with the annual banquet which the girls prepared for them.

Our annual Sweetheart Ball went well and was attended by many students and adults.

The state convention was held in Wenatchee with a group of our girls attending and learning new things as well as having a good time. Our style show was again a very important event which is put on annually by the girls with the help of the stores down town. Our annual father-daughter banquet went off very well and the fathers all gave us compliments on how much they enjoyed it.

We held our mother's tea just before Mother's Day honoring the mothers of the students of R. H. S. with a program and refreshments.

The F. F. A. Judging team placed in two contests. At the Adams County Fair they took first place. At the St. John Stock Previews the team received third place, out of 18 teams. This year, instead of having just four boys on the team, the Senior boys alternated on the team. They also judged at Walla Walla, Colfax, and Pullman.

The Annual F. F. A. Banquet was held March 13 at the Grade School Cafeteria. They were served a very delicious ham dinner with all of the trimmings.

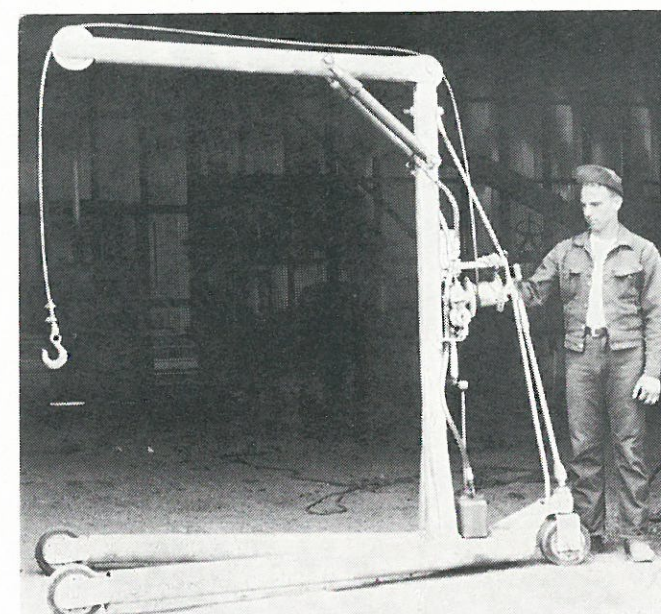

The Ritzville Chapter was again the host to the sub-district Parliamentary Procedure Contest. The Ritzville Chapter Officers plan to have a team. Ritzville is in the Northeast District, which includes all of the surrounding schools.

SENIOR HIGH STUDENT COUNCIL

The Student Council is made up of representatives from the Sophomore, Junior and Senior classes. The elected Student Body officers are also members. The Student Body President presides at all the meetings. The High School Principal is also a member but he has no vote.

The Student Council meets about every two weeks and before student body meetings to discuss the pending business.

The Council grants clubs and organizations permission to carry out extra-curricular activities. All financial matters, pertaining to student body funds, are discussed and voted on by this group.

Council officers this year are:

President	Henry Vostral
Vice President	Tom German
Secretary	Kay Nelson
Treasurer	Shirley Burghard
	[first semester]
	Joanne Rieger
	[second semester]
Advisor	Mr. Lackey

Seated left to right: Leonard Reser, Bobby Hennings, Ellen Reimann, Julie Becker, Arnold Moeller, Tim Kiehn, Beth Schrag, Joanne Wagner, Jane Phillips, Raymond Keehner. Standing: Mr. Oberst, Advisor; Barry Nissen, Peter Peot.

JUNIOR HIGH STUDENT COUNCIL

The Junior High Council represents all sections of each grade in the Junior High School. In addition, student body officers are chosen to serve on the council. School problems, social functions, and school projects are considered by the council. However, final decisions upon important matters are referred to the student body.

1st Row: Mr. Oberst, Advisor; Raymond Keehner, Bobby Derr, Wayne Koch, Peter Peot, Ron Knight, Ron Kison, Lee Roloff, Roy Bierman, Graham Cross, Richard Wilhelm, Winston Reimer, Duane Koch. 2nd Row: Harvey Koeplin, Chris Greenwalt, Art Greenwalt, Don Hintz, Dennis Bafus, Sam Braun, Forrest Hardt, Bob Hennings, Kerwin Zeimer, Barry Nissen, Curtis Gering, Floyd Gering. 3rd Row: David Nauditt, Dennis Hille, Claude Sumpter, Carroll Hayden, Jerry Schell, Leonard Reser, Gary Galbreath, Dennis Rieger, Gerald Thaut, Percy Schrag, Michael Telecky, Jim Krehbiel.

PATROL BOYS

Patrol boys are chosen from the seventh and eighth grades in the Junior High School. All boys from these two grades may serve as patrolmen. They patrol intersections and streets to protect students during heavy traffic at noon and after school at night. One other project that has become a big responsibility is parking cars during the Adams County Fair as well as patrolling the downtown streets during the fair parade.

mann, Cleola Borgens, Marla

OFFICE PRACTICE

This year's office staff was made up of five senior girls. Their job was to collect the roll slips, type the daily announcements and run them off on the ditto machine, type up tests for teachers and ditto them off, address envelopes, help make programs for different occasions, answer the telephone, and many other odd jobs.

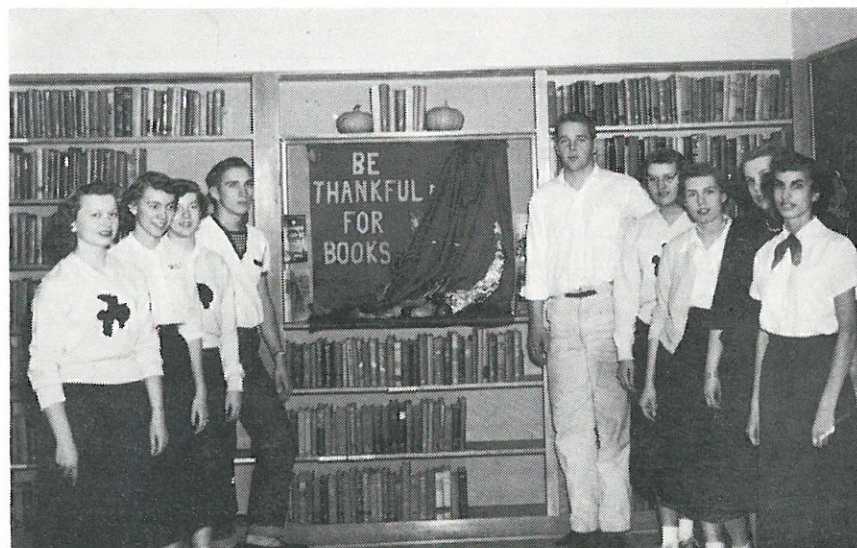

The girls were also very fortunate to have Vera Nissen show them how to use the ditto machine and mimeograph machine. You can be sure that it came in very handy and also saved Vera a great deal of work.

Shirley Burghard was treasurer of the student body and she worked in Mr. Lackey's office most of the time. At the end of the semester, Joanne Rieger took over in her place.

LIBRARY SCIENCE

The library science students this year have made displays to make the library more attractive. Every month they put up something for the holidays and different seasons. The Thanksgiving display in the picture with the students was made by Stanna Lee Adams and Dale Werner.

The students take this course to learn how to work in the library. They learn how to check books out, file cards, put books away on the shelves properly and how to repair them.

GIRL'S ATHLETIC ASSOCIATION

The G. A. A. of 1953-54 completed a very successful year. Volleyball, basketball, softball, tennis, ping pong and bowling were among the sports the girls participated in. A play day at both Lind and Ritzville were two of the highlights of their activities. The G. A. A. was under the leadership of Marla Koch, President; Stanna Lee Adams, Vice President; Joanne Rieger, Treasurer; and Janice Wagner, Secretary. Miss Mary Wheless was the advisor.

The G. A. A. was organized on the basis of points and the girls who made six hundred points were awarded letters at the end of the year.

FOOTBALL

With seventeen lettermen returning, fourteen of them seniors, Coach Fred Strankman and assistant coach Paul McAbee built a winning football team. Ritzville played an independent schedule this year because all the other Bi-County schools changed over to eight-man football. The Broncos displayed a powerful ground game and a devastating air attack in sweeping the eight wins and no losses.

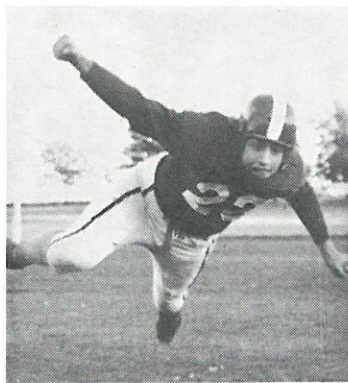

The season's best game was the Armistice Day clash with powerful St. Pat's at Walla Walla. In a bruising game the Bronco's closed the 1953 season by defeating St. Pat's 26-12. This gave Ritzville its first undefeated, untied season in 28 years.

The final Associated Press Football Poll ranked the Broncos in third place in the state "B" schools.

The 1954 Ritzville High School Basketball Team was the best ever to wear the Red and Black. Led by Captain Glen Tompkins the Broncos were undefeated for the second straight year in League play. In the Bi-County Tournament the Broncos played inspired basketball, defeating the favorites, Davenport, Wilbur, and Almira, to enter the District tournament at Cheney. The Broncos led by hustling Glen Tompkins and sharp-shooting Wilmer Grams downed Fairfield in the first game. In the second game Danny Schwisow got a couple of timely baskets and Mead was beaten. This gave the Broncos a berth in the Class "B" State Tournament at Tacoma. In Saturday's final game to decide first and second places the taller Cheney Blackhawks led by their 6'5" center, Helm, defeated the Broncos 53-33.

In the first Class "B" Tournament game the Broncos met the tall and talented Bainbridge Spartans, who were ranked number one in the Associated Press Basketball Poll. The Bainbridge team defeated the Broncos 63-33. In the next game the Broncos showed the type of team they were by coming back and defeating Kahlotus 48-47 in an overtime game. This was one of the most exciting games of the tournament with the Broncos twice coming from behind on free throws to tie the game with seconds remaining. Danny Schwisow's long one-handers put the Broncos ahead for keeps. Fairfield was defeated by the Broncos 45-43 in another thriller that wasn't decided until the last moment, when Glen Tompkins dumped in one of his special jump shots.

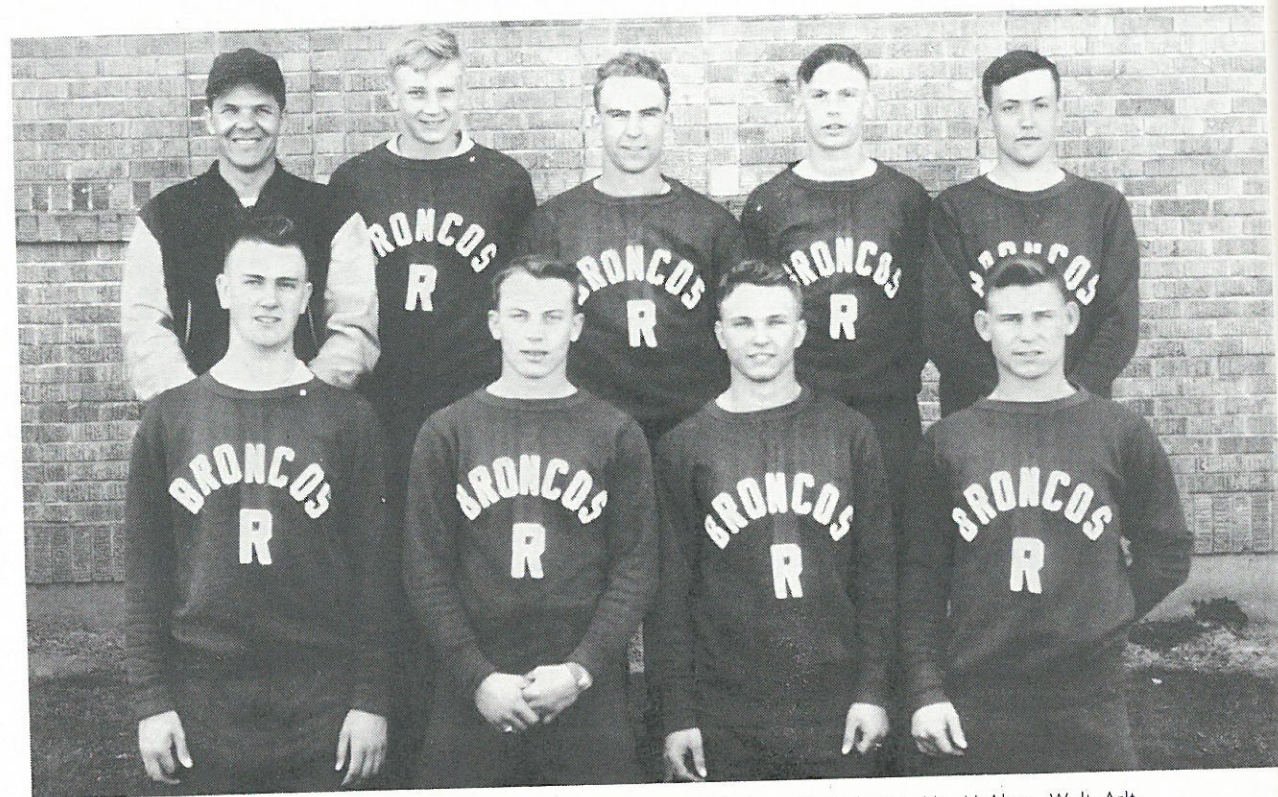

In the fourth game of the tournament the Broncos were edged out by St. Pat's of Walla Walla 45-44. This gave St. Pat's 5th and the Broncos 8th place.

The 1954 Basketball team led by Captain Glen Tompkins and under the leadership of Coach Fred Strankman and Assistant Coach Paul McAbee finished with a season's record of 21 wins and 6 losses. The Broncos were not a tall team but played fast, aggressive basketball with the emphasis on defense and hustle.

Glen Tompkins, the Broncos playmaking guard made the All-State Team. He also made the Northern District First Team. Wilmer Grams and Danny Schwisow made the Northern District Second Team.

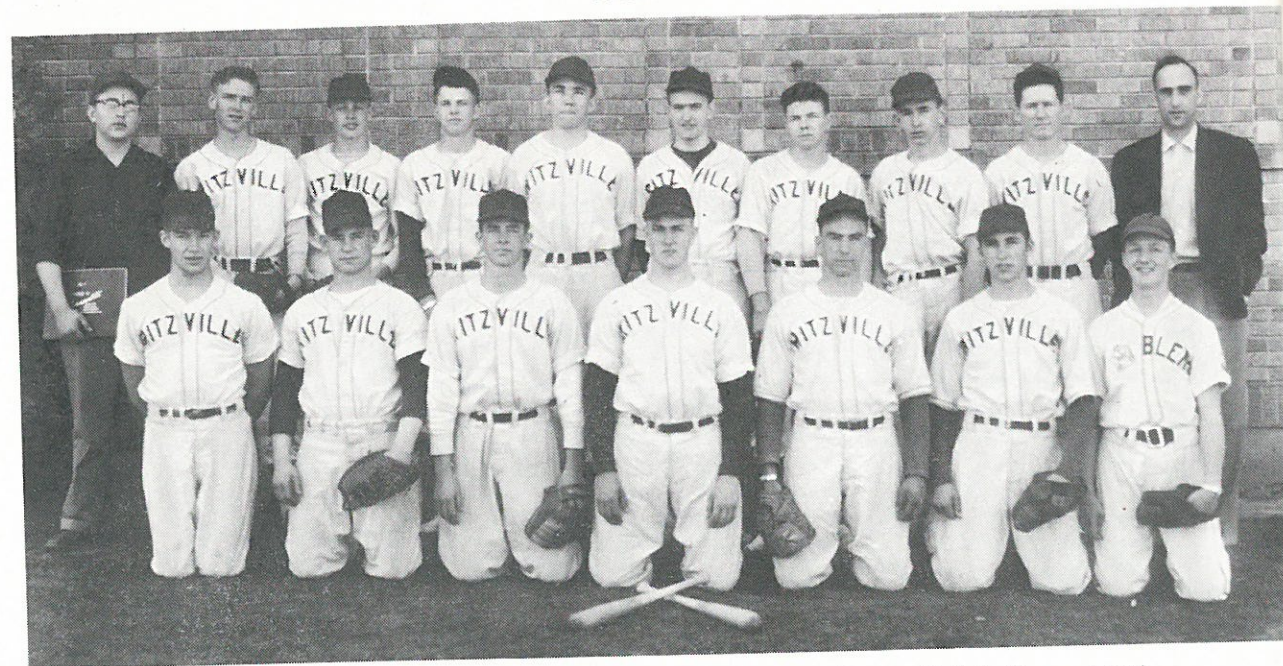

The Ritzville Broncos placed 8th in the State and received the 8th place trophy. This is the highest ever for a RHS team.
