5 of these year books of RHS have been purchased and paid for by by myself each year from 1958 on in the making of the banquet and Class scrap books. In order to have a complete set of them I am placing them in these frames which can be kept on file for reference at any future time and should be kept in the Alumni Vault at all times. Those I have not used up can be utilized at the discretion of the Ritzville High School Alumni Association.
I hereby present to the R.

THE KERNEL

Ritzville High School

Ritzville, Washington

Dedication

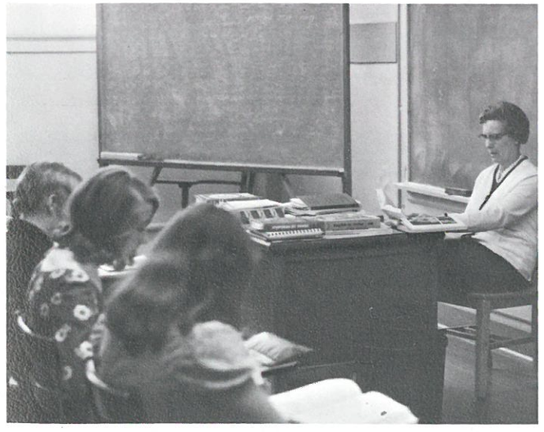

We, the Student Body of Ritzville High School, would like to dedicate our 1970 Kernel to Mrs. Mildred Wellsandt who has given much of her time and effort for the last seventeen years to our school. She has spent many after school hours working in the library and as advisor to the Harvester. Her genuine interest in the welfare of the students both in her classes and out is a trait that we all admire. Therefore we proudly dedicate this annual to such a wonderful person.

Superintendent's Message

A yearbook is truly a book of memories. As you look through this book in future years, you will recall the many good things that occurred. Because of your efforts and attitudes you will be able to look back upon far more successes than failures both in activities and scholastic achievements.

The same attitude and effort that led to a successful school year can assure the same type of achievements in future endeavors.

Principal's Message

Few students anywhere have accomplished as much in student activities, academic pursuits, and good citizenship as the students of Ritzville High School. It is my hope that each graduate and student will recognize that almost all of these accomplishments were a result of the pride, unity, and unselfish actions of the Ritzville School and Community.

It's You, Big Team, that We're Yelling For

These five girls, through long hours and everlasting determination, led Ritzville with spirit and enthusiasm.

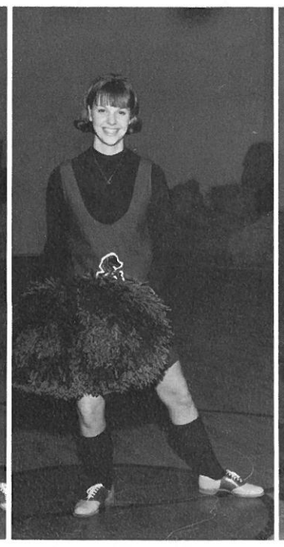

As soon as school started they were out earning money for their new football uniforms. Among their projects were a car wash and a pop bottle drive. Both were a great success. They were very grateful to receive ten dollars from the Pep Club to help pay for the cheerleading uniforms.

It was a good year with a lot of support. These girls are proud to be representing such a spirited pep club and rooting for the best teams in the history of RHS.

Spirit Is the Word

The Ritzville Pep Club was headed by President Rae Ann Telecky this year. Their advisor, Miss Dowling, was always ready to give a word or lend a hand whenever she was needed.

This year's group was loaded with spirit and eager to support their team. Pep Club was a close knit group trying at all times to show the good sportsmanship of which Ritzville is proud.

The highlight of the year was Homecoming Week. Among the activities were tricycle races, tug-o-wars, and a fire wood contest. At the Alumni Program on Friday the spirit jug was awarded to the mighty senior class for displaying the best overall spirit for the week. After the Homecoming game, in which we clobbered Odessa 35-0, a victory dance was held featuring the West Coast Boys.

Pep Club members give Reardan "a warning" before the game.

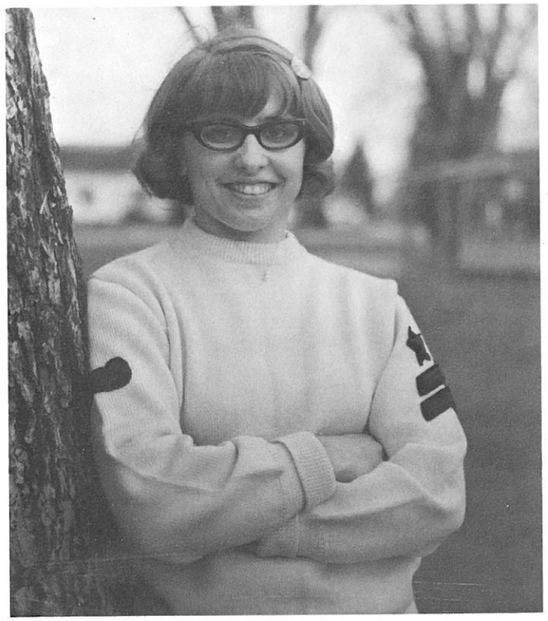

Broncettes

Broncettes is an honor organization composed of nine girls whose duties are to serve RHS by selling and taking tickets for football, basketball, wrestling, and school plays.

The Broncettes had a busy year earning money for new football and basketball uniforms. Caramel apples and popcorn balls were sold during Homecoming week to help cover these costs. Updating the old Broncette uniforms, which had been with the organization for many years, was quite a job. However, the finished product was well worth the effort.

Under the counsel of their advisors, Mr. Hopkins and Miss Dowling, the Broncettes worked on writing a constitution which the organization had lacked before.

The Broncettes of 1969-70 hope to leave future RHS Broncettes with a basis for the management of the group.

Toward New Horizons

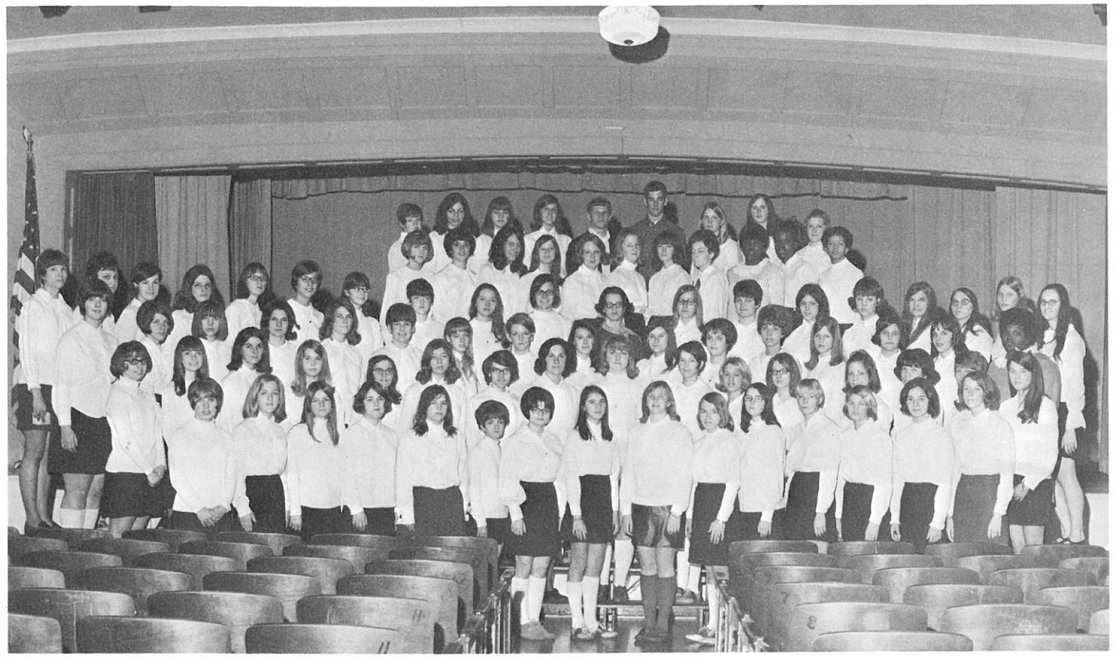

The motto of the Future Homemakers of America, "Toward New Horizons," expresses the purpose of the organization, learning to live better today in order that our lives may be better tomorrow.

The year began by having twenty-two new members initiated. The initiation ceremony was performed by the officers of FHA. The newly elected officers were announced during the Dad and Daughter Banquet, which was held in March. In May the annual Mothers' Tea was held. There was a style review accompanying it.

One of our purposes this year was to arouse youth interest and participation in solving world problems. We did this by adopting a Korean child and supporting her throughout the year.

OFFICERS--FIRST ROW: Chapter Honeys R. Spencer and D. Anderson and Advisor Mrs. C. Schorzman. SECOND ROW: Treasurer P. Kembel, Scrapbook Chairman K. Ferderer, Degree Chairman M. Minion, Yearbook Chairman J. McCaffery, and Photographer B. Heimbigner. THIRD ROW: Freshman Representative J. Minion, Yearbook Chairman R. Telecky, State Secretary N. Hille, Pres. S. Leonard, Sec. P. Meyer, V. Pres. L. Leisle, and Song Leader M. Smith.

Future Farmers of America

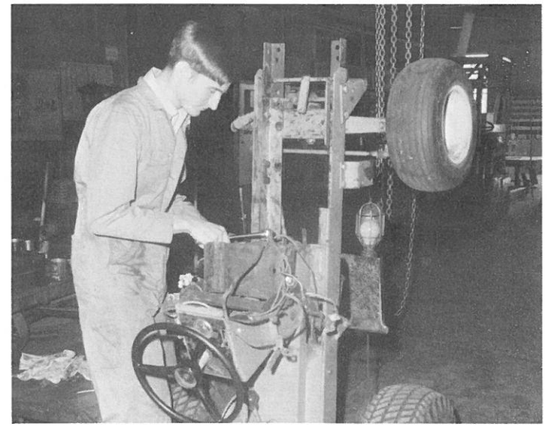

The Future Farmers of America is vocational organization for the benefit of the young man to use in later life. The aims and objects of the FFA are to develop leaders from both farm and city students, to encourage cooperation, and good citizenship, and to create an intelligent choice of a vocational or professional occupation. Projects vary from crops to livestock and from metal work and welding to motor work.

The FFA has the annual fair concession and the annual Dad's Night to initiate Green Hands and bring Green Hands up to Chapter Farmers. The springtime brings about the annual Parents and Son Banquet to show that teenage boys can plan a big meal and banquet.

Phil working hard on his FFA project.

Chairman of the Board of Education

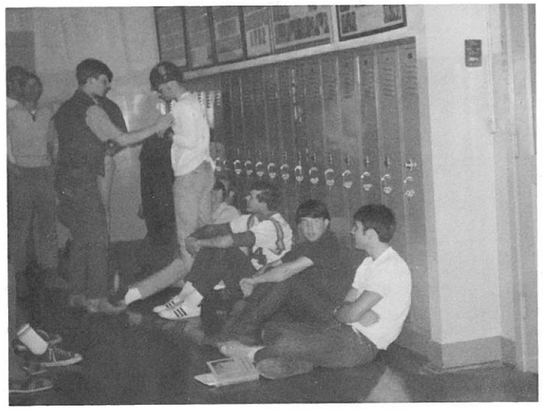

Farewell Song ..... Senior Class and Choir

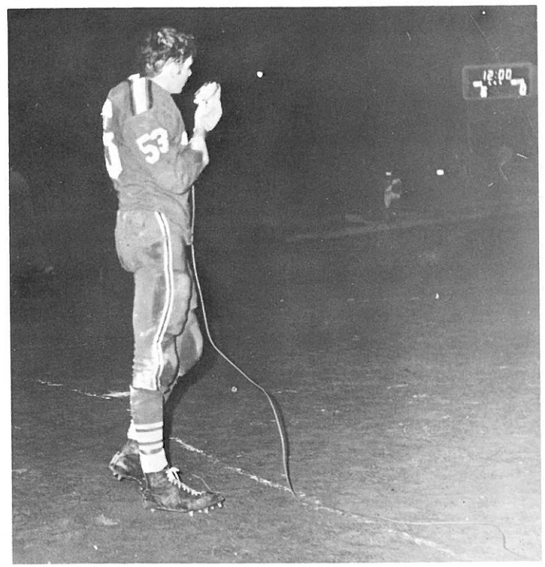

Benediction ..... Michael Koch

Recessional — "Our Director" ..... Bigelow
High School Band Directed by Mr. Dennis Koch

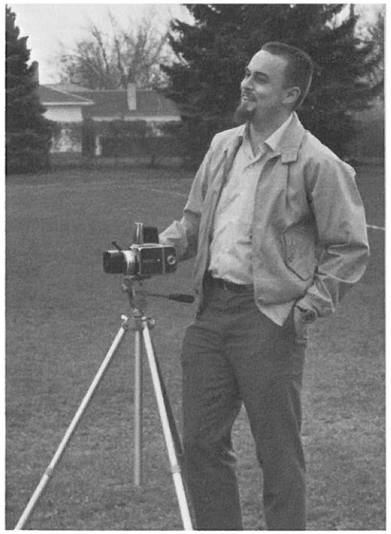

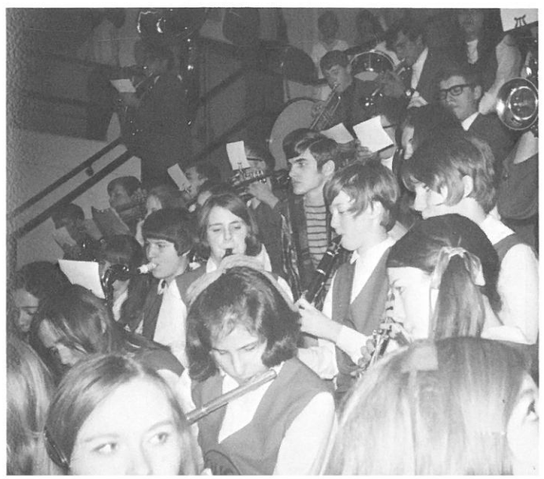

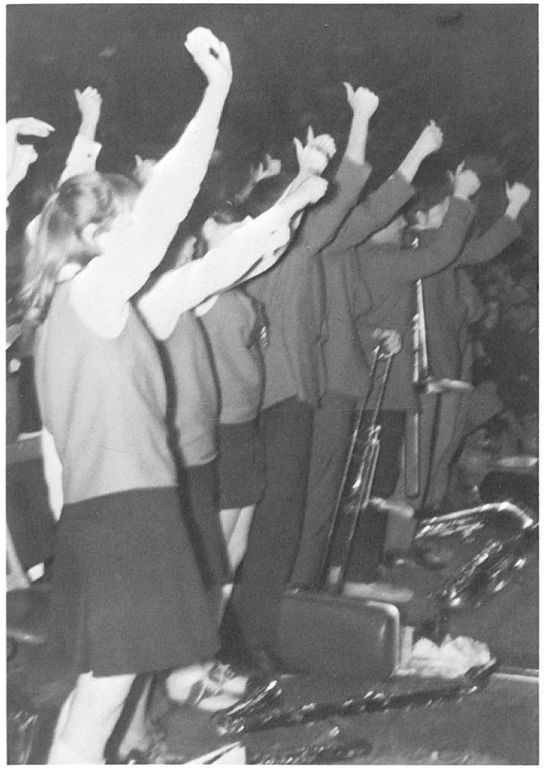

We can recall through this "Book of Memories" what a great year this has truly been. I hope that this book will help to trigger the memories that each individual holds in his own mind. It is you, the student body and faculty of Ritzville High School, that gives this its special quality.

Although the editor assumes all the responsibilities for the contents of this annual, there were many people working behind the scenes who have made it possible. Many special thanks go to those who have helped with the photography in this book. Mr. Bert Kendrick printed many pictures for us; John Pavlik gave us many from the "Journal Times"; and Dorian Studio took many of the activity and group shots. I would also like to thank Peggy Meyer, the assistant editor, and the entire staff for the many hours of work they put into this annual. And of course I could not forget our advisor, Mr. Hopkins, who not only contributed much moral support in times of panic but also inspired many new ideas for making this annual a success.

Although this year has now come to a close I hope that this annual will forever keep alive its many wonderful memories.

Barb Heimbigner
Editor
