5 of these year books of RHS have been purchased and paid for by by myself each year from 1958 on in the making of the banquet and Class scrap books. In order to have a complete set of them I am placing them in these frames which can be kept on file for reference at any future time and should be kept in the Alumni Vault at all times. Those I have not used up can be utilized at the discretion of the Ritzville High School Alumni Association.
I hereby present to the R.

Foreword

Our school is one of many machines of production responsible for the citizens of tomorrow . . . The students are the workmen, the teachers and supervisors the foremen.

The theme for the 1961 Kernel is "Memories Are Made of This." We hope that in years to come, this annual will bring back memories of apprenticeship in preparation for Life . . . R. H. S. means much more to us as Seniors than it did as Freshmen,—yes, more than a mere candlelight, a bright and ceaseless headlight with wider beams for tomorrow.

Superintendent's Message

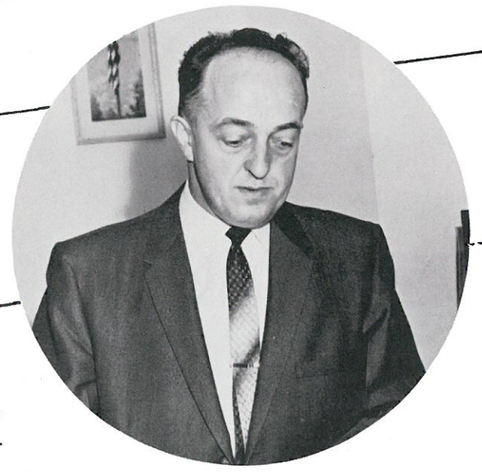

Treasured memories are made of this: Take equal parts of kindness, thoughtfulness, unselfishness. Mix with love, add a smile or two, and sprinkle with helpful words. Toss in a spice of cheerfulness and stir with laughter.

This wonderful recipe is guaranteed to create sunshine in life. Share it with everyone and you will gather a bumper crop of precious, shining memories.

E. F. Sayre

Principal's Message

Memories as displayed in this annual portray the most cherished records. With this thought in mind, your editor and annual staff members have sought to select the most representative pictures.

Of this book may we say, "Memories Are Made of This."

Commencement

Well, here we are, another year gone by and another yearbook completed.

Making up this Kernel was a lot of fun and a lot of work; meeting deadlines, scheduling and taking pictures, writing copy and selling ads. We've tried our best and we sincerely hope that you will enjoy your 1961 Kernel.

We, the 1961 Kernel staff, offer our heartfelt thanks to the people that have helped us make this yearbook possible. To Mr. Lloyd Oberst, our advisor, and Mr. Bert Kendrick, Mr. Alva Lightbody, and Mr. Jim Webb, our photographers, we hope you feel rewarded with the finished product.

And last, but not least, we hope that as you go through the Kernel you'll pleasantly recall all the memories of this year. The things we did in assemblies, clubs, and classes, not to mention the fun we had watching sports and gossiping with friends.
