Foreword

"HATS OFF" is the theme of the 1962 Kernel. Each page you turn will reveal moments we shall never forget. Whether these pages show happiness or tears, our hearts will never forget R.H.S. and the memories we have left behind.

We'd like to say "Hats Off" to Ritzville High School—for giving us the basic elements of education, for the countless times we have and will put these elements into practice, for the guidance and leadership of those who have given us the benefit of their knowledge and experience, and for the friends we have made—all of which will last a lifetime.

Kathy Eckhardt
Editor

Dedicated to Our Parents

The annual staff has chosen to dedicate the 1962 Kernel to our thoughtful parents.

When we are so involved with homework and other school activities that we haven't time for anything else, our parents are the ones who bend over backwards to help us out. At the time we may not show our appreciation for the sacrifices they make, but all of us realize that we couldn't have made it through high school without them.

We sincerely hope that this Kernel will recall many pleasant memories for each of you, as we salute our parents with our theme "Hats Off."

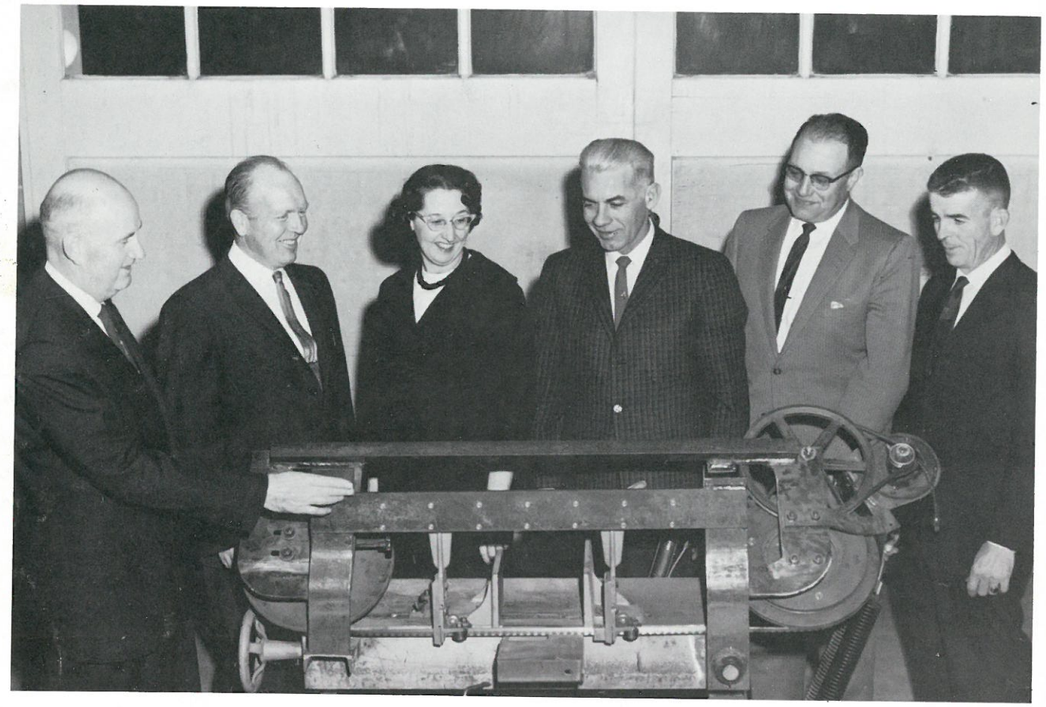

The Annual Staff

Hats Off to the Class of 1912!

This year it is our privilege to honor the class of 1912 which graduated from Ritzville High School fifty years ago. The members of the class are Ralph Gillis, Anna Ott, Nellie Tice, John Danekas, Henrietta Whittrock, Lela Zoe Myers, Hanna Kanzler, Ralph King, Will Horn, Lillie Sittner, Alvena Thom, Will Wolsborn, Hans Tim, Dora Thiel, Will Oestreich, Ralph Farrier, Virgil R. D. Kirkham, Evangeline Carlson, John Moon, Raymond Holcomb, Mae Baird, Earl Harding, Ruth Harding.

Our School Board Plans Ahead

Members of the School Board left to right: Mr. E. Frank Sayre, Superintendent; Mr. Phil Langford; Mrs. Arthur Benzel; Mr. Lee Burroughs; Mr. Alvin Maier; and Mr. Ed Haight, Chairman.

Most of us fail to realize the importance of the role the school board plays in the functioning of our school, since they are not seen by our students in every day school life. They do the planning for new buildings, hire new teachers, plan for better facilities, and make possible many of our school projects.

We would like to express our sincerest thanks to each member for all he has done to make this school year a success.

Superintendent's Message

What mankind can dream can be done. It is now a matter of history that man can orbit the earth in eighty-nine minutes. We have entered the space era. The human race is faced with the most challenging opportunities since the dawn of time. Hats off to the members of the class of 1962 as they move into adult life. May they be inspired, constructive leaders in the space-age years ahead.

E. F. Sayre

Principal's Message

Students may come and students may go, but RHS will go on forever. As the years go by, seniors will be replaced by seniors, juniors will be replaced by juniors, etc. This tremendous cycle is perpetuated and enhanced by the contributions of each group as they progress.

The contributions that you make as an individual may seem trivial, but one can only hope that each contribution may have its effect upon society as a whole.

May the many pictures and other materials in this annual be considered as the best ever. An annual must have the support of everyone in the school to be successful. "Hats Off" to those who have given of their time and energy, and may this annual serve as another important niche in the history of our school.

Farewell

Seniors Together for Twelve Years

The seniors who were together for twelve years, the entire Class of 1962, and the Kernel Staff bid you farewell.

The seniors wish RHS luck and prosperity in the future. As we pass slowly through the doors that have seen so many come and go, all too quickly we hear the doors of the past, quietly shutting behind us; and we go forth eagerly to open the doors of the future and whatever it may bring.

The Kernel Staff wishes to thank Miss Phyllis Robertson and Mr. Lloyd Oberst, our advisors, for all the help they have given us; Mr. Bert Kendrick, Mr. James Webb, and Mr. Alva Lightbody, our photographers, for their fine cooperation; all the sponsors who made this book possible; and the students of RHS who helped to put this yearbook together.

We sincerely hope the Kernel has brought back many memories of a wonderful year.

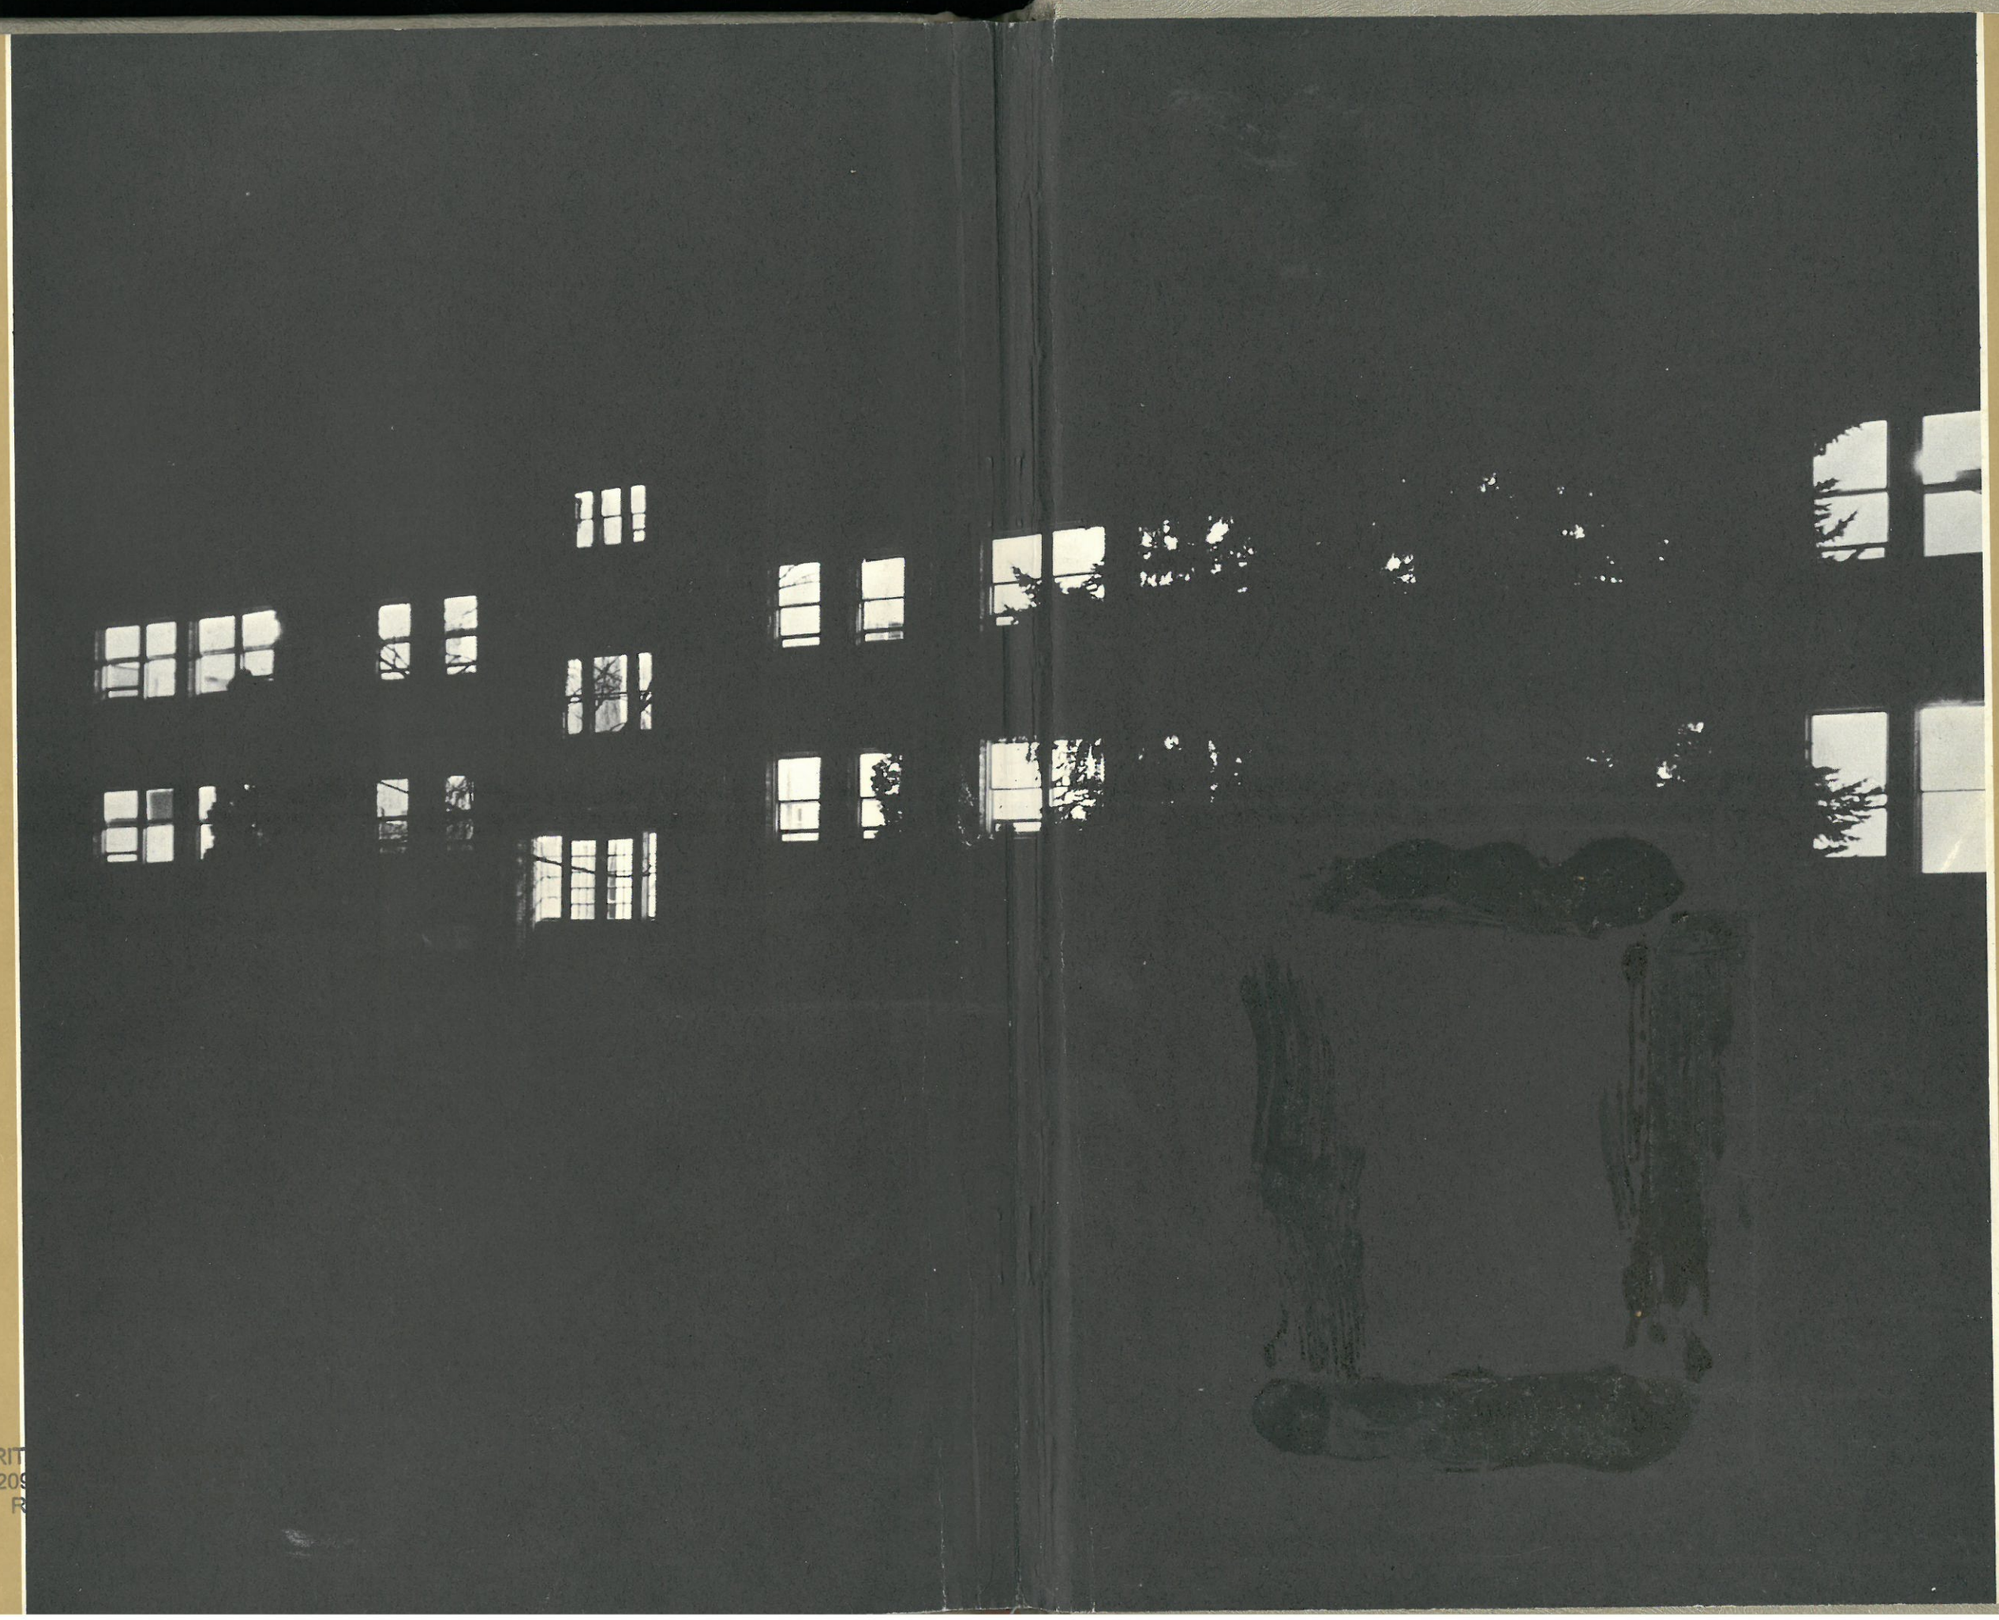

The Kernel Staff

The Students of RHS Wish to Thank the Following Businesses for Sponsoring the '62 Kernel
