The Ritzville High School Student Body and yearbook staff would like to dedicate this 1975-76 book to the class of 1926, who marked another year in the history of RHS. Fifty years ago this class participated in many of the same activities we participate in today and helped establish the fine tradition that is Ritzville High School.

Be Free

I can see the world a-changin'
I can see it rearrangin'
Happenin before my very eyes
Everywhere there's cement growing
In the street the traffic's flowing
Ruining the air up in the skies.
Is it no surprise?

I want to get away and live my life
Near the rivers and trees
I want to spend my days making rhyme
And be free, be free, be free.

You can hear the cities calling
Climbing high, you feel you're falling
Beckoning for all of us to see.
See the thief in the cement hollow
Reaching out to those who'll follow
Hungering from far too many lies.
Is it no surprise?

From the roots of thought I've had an
inner vision
I've seen the universe unfold.

I can hear the school bell ringing
From the yard the children singing
Merrily life is but a dream
In the streets their older brothers
Selling snow and junk to others
Aiding those whose songs have turned
to cries
Is it no surprise?

I want to get away and live my life
Near the rivers and trees
I want to spend my days making rhyme
And be free, be free, be free.

Rings of Life

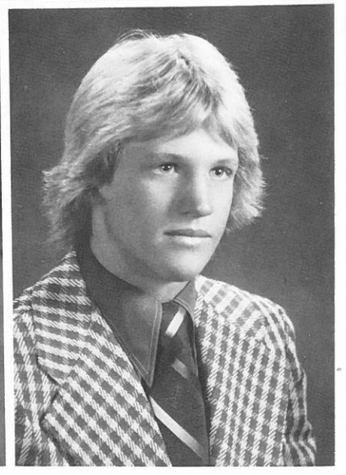

Stronger by circles I grow,
Weaker by cycles I die.
Letting the symmetry flow,
Up from my roots to the sky.
Fed by the fires of the earth,
Sweet osmosis come quench my thirst.
Just one more deep drink for me,
One more ring of life around this tree.

I'm moving, improving my view,
Claiming my right to the sun.
Adding on is nothing new,
When it all adds up to one.
Two, three, four more points in time,
These all become well spaced lines.
Curving a pattern through me,
One more ring of life around this tree.

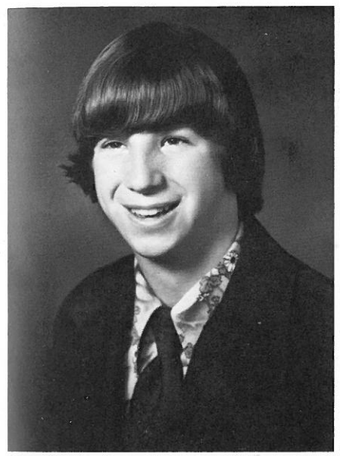

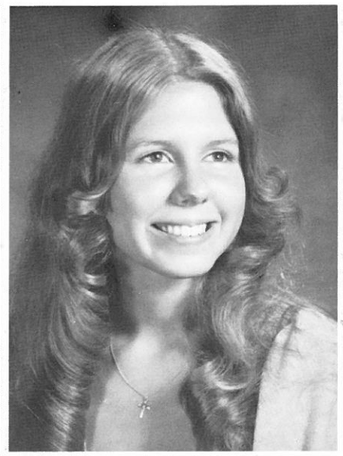

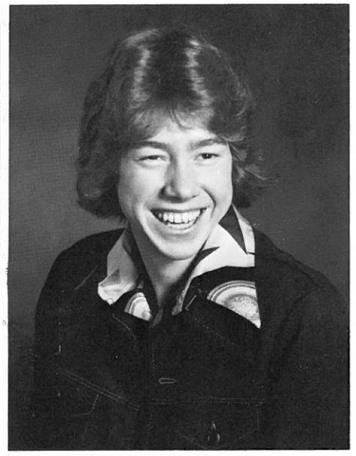

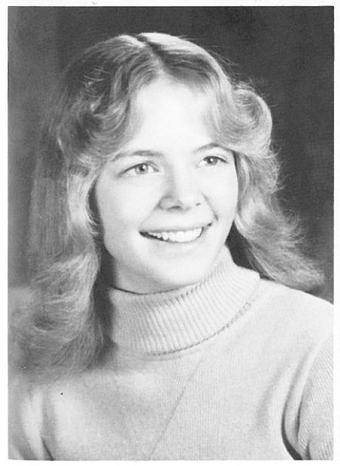

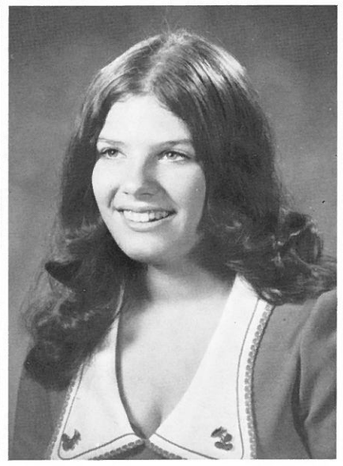

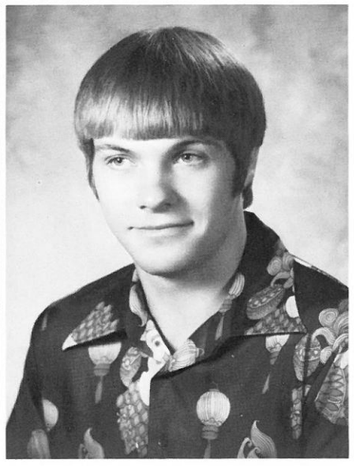

Ring around the roses,
Pocketful of poses.
Ashes, ashes, we all fall down.

Changes

You are a young man
And you're eager to seek
A way to let the world know what you
think
The lesson learned- it is not taught
in a school
You have to start out first
By being a fool,

But I see changes
They happen every day
And I see change
Coming your way.

You give your life away
For what in return
A chance to see your name in lights
while you learn
Your manager is home and working a
way
To keep you on the road and moving
day to day.

But I see changes
They happen every day
And I see change
Coming your way.

You work yourself to death
So you can have a home
You put your money aside
To call it all your own
You finally save enough
And you think you're gonna advance
Turn around- there's Uncle Sam
He's got his hand down in your pants

But I see changes
They happen every day
And I see change
Coming your way.

Maybe some change
Is all that we need
Change is coming to help us succeed. . .
Change happens every day.

Jim Messina

There's A World

There's a world you're living in
No one else has your part
All God's children in the wind
Take it in and blow hard.

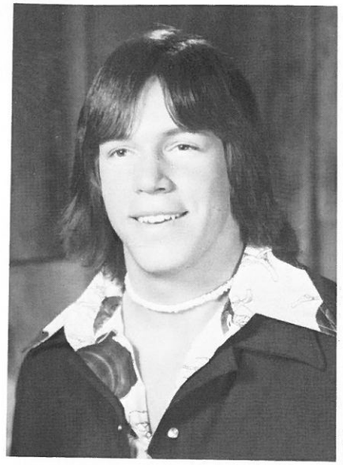

Look around you- Has it found you
walking down the avenue?
See what it brings- Could be good things
in the air for you.

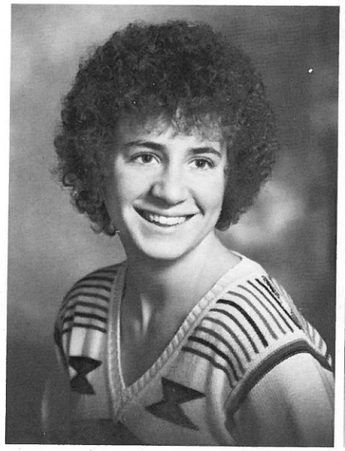

We are leaving. We are gone.
Come with us to all alone.
Never worry. Never moan.
We will leave you all alone.

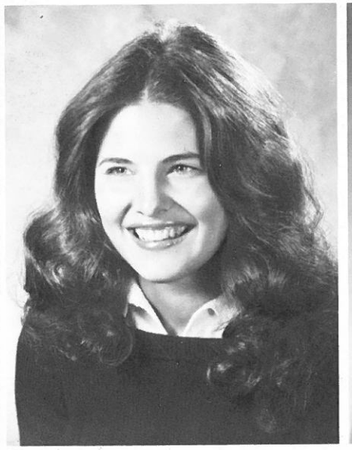

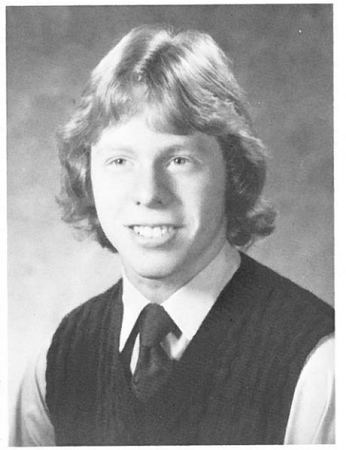

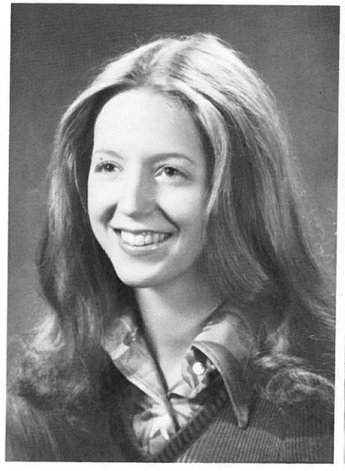

In the mountains, in the cities-
You can see the dream.
Look all around you. Has it found you?-
Is it what it seems?

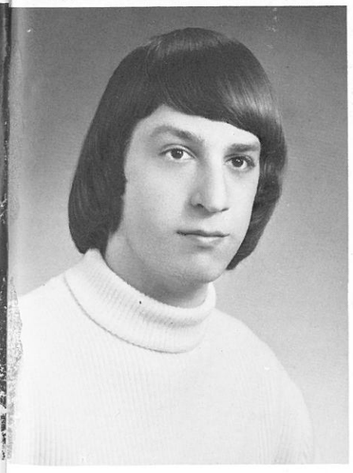

There's a world you're living in
No one else has your part
All God's children in the wind
Take it in and blow hard.

Broncos Finish Winners!

This was a "turn the corner" year for Ritzville football. After losing their first three games to Connell, Dayton and Davenport, the Broncos won five of their last six. They finished 5-4 overall and 5-1 in Bi-County. Only the early season loss to co-champion Davenport kept them out of the playoffs. The highlight of the season was the 26-6 Homecoming win over rival Reardan. The aim of Jay Humphrey found able receivers in Brian Gering, Bruce Reeve, Dirk Curtis, Marty Sackmann, John Schoessler and many others. The defense was led by Lance Kettleson, Pat Kennedy, Dale Swift, Bill Markum and Kevin Lyle. Seniors Bob Bowman, Rod Heimbigner and Dave McCormick were also heavy contributors to the Broncos' efforts. Ritzville football turned the corner in '75 and is looking ahead to more good years.

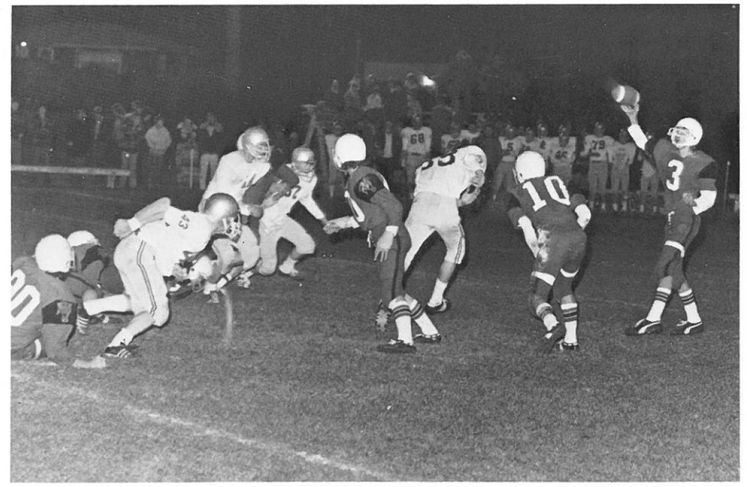

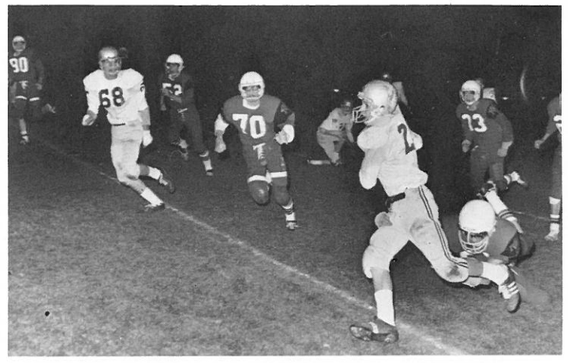

Left: Freshman quarterback Jay Humphrey comes for a sideline chat with Coach Lynch during the Reardan game. Below: Behind the pass blocking of Rod Heimbigner and Marty Sackmann (10), Jay launches another pass against Reardan. Jay passed for over 1000 yards during the '75 season. Lower left: Senior Dave McCormick lunges at the Reardan runner with help not far behind. Left center: Coach Don Olsen imparts instructions to the Bronco bench. Right center: Cheryl Ulleland, Bev Kagele, Kathy Johnson and Lori Hodgson charted each pass, run, reception and tackle throughout the season. Bottom right: "Our Father, who art in Heaven, hallowed be thy name,". . . ready. . . break!

Homecoming '75

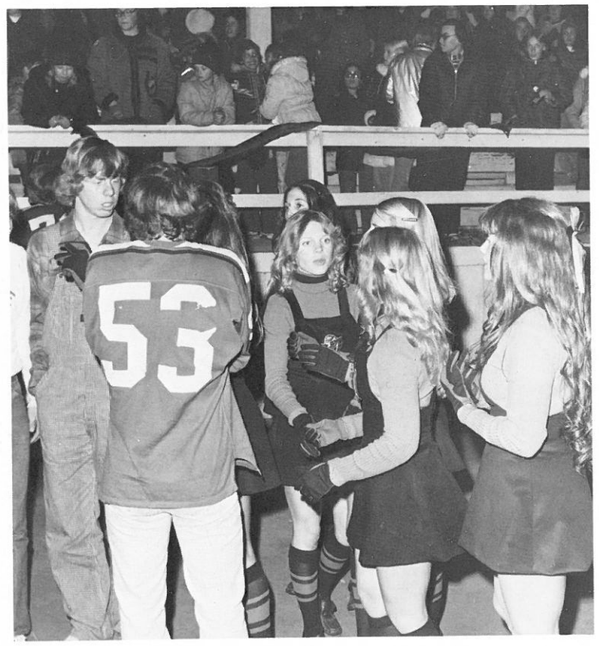

This year's Homecoming activities included: Pajama Day, Moviestar or 50's Day, Red and Black Day, Dress-up Day, wheel barrow races, and several other events for class competition towards the Spirit Jug. We also had the traditional competitions: spirit chain, tug 'o war, class chant at the bonfire, and wall decorations in the auditorium; all of which were won by the Class of '76! The cheerleaders also added a new class competition, collection pennies. As a special attraction the cheerleaders were assisted by a group of boy "yell leaders" at the bonfire and game. The week's activities came to a head on Friday with the Alumni program and pep assembly. The Homecoming queen, Liz Schuoler, was crowned and the Spirit Jug was awarded to the Seniors. Of course, the major high-light of the week was the mighty Broncos' 26-6 victory over Reardan!

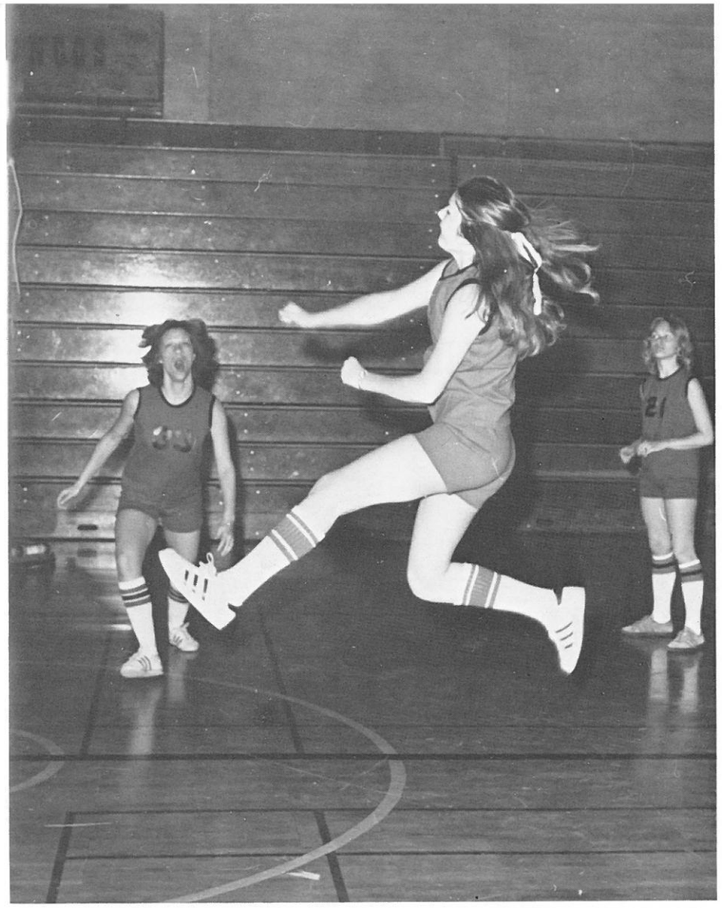

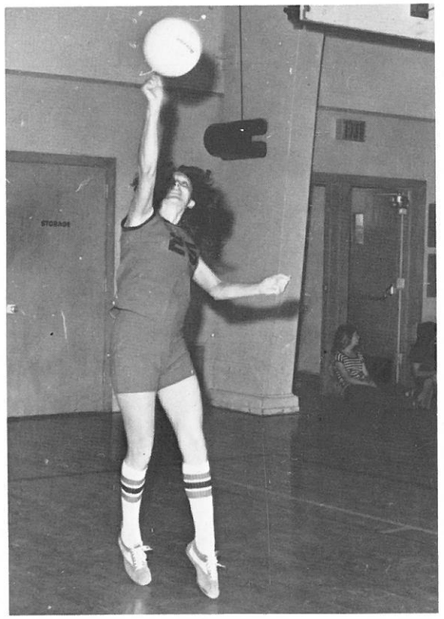

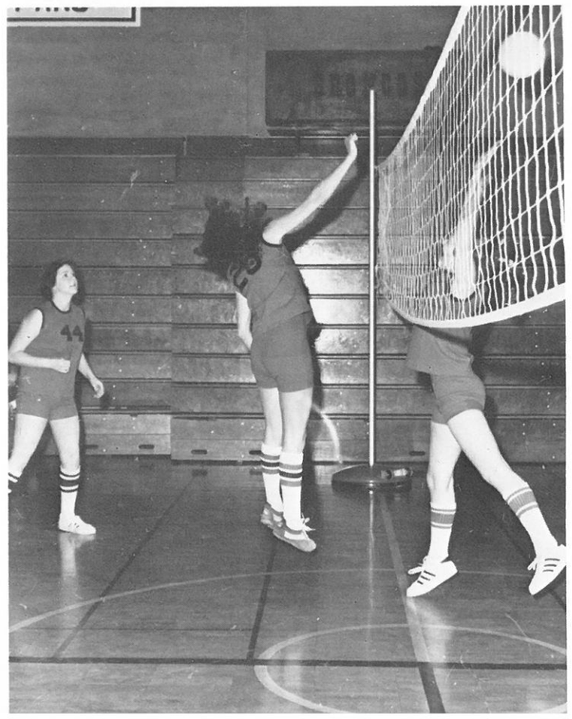

Netters to Playoffs

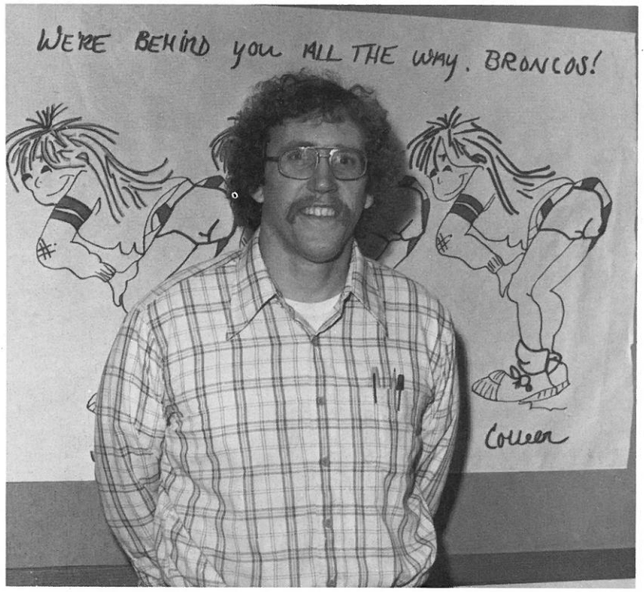

As divisional champions, the volleyball team advanced to Bi-County playoffs and finished fourth, which didn't enable them to go to district. However, the girls finished with a fine 7 and 3 won-lost record.

Four seniors will be greatly missed from a team which concentrated on serving and adding more offensive punch to their game. With the junior varsity completing an undefeated season and several girls gaining experience on the varsity, the volleyball team should be very competitive next season.

Grapplers Grab Second

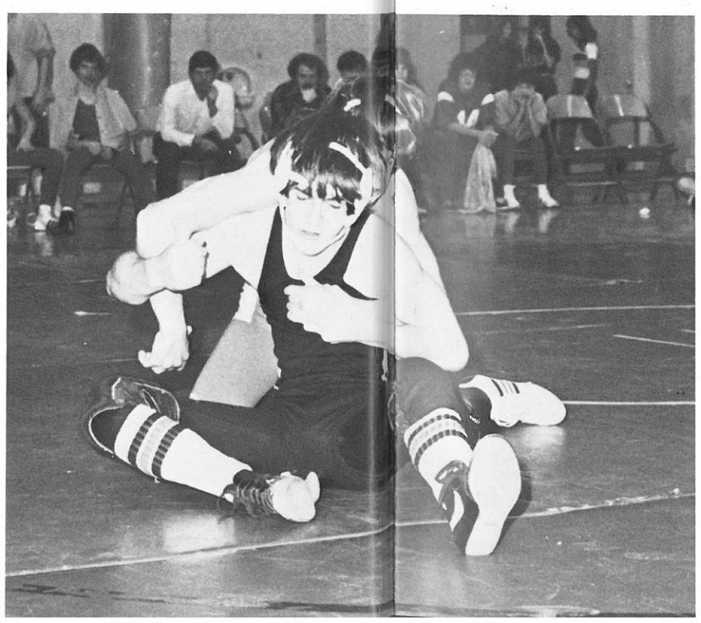

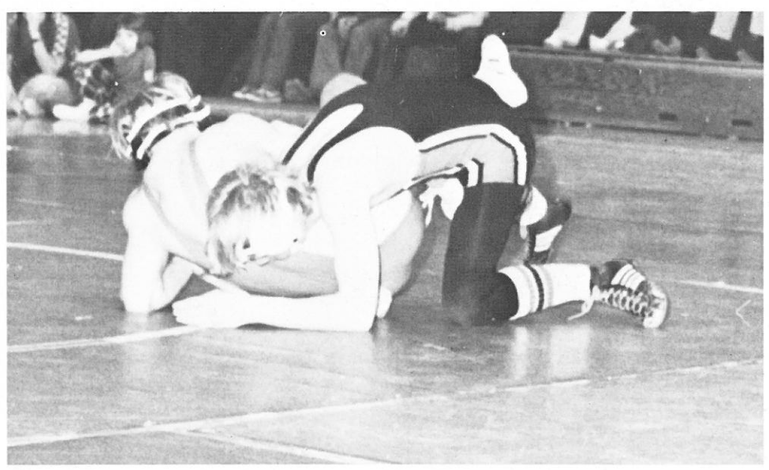

In spite of having a rash of injuries, the Broncos had a good wrestling season. They placed second in the Bi-County dual match schedule and third in the Bi-County Tournament. The Broncos were led by seniors Dave Partlow, Krist Geriene, Pat Kennedy, Scott Fitch and Rod Heimbigner. Rod placed third in regionals and was the Broncos only State tournament competitor. The Broncos' dual match record was 11-7 and they competed in the Medical Lake Invitational and the Colfax Takedown Tournament. Scott Fitch was voted Most Inspirational and Rod Heimbigner received the Most Takedowns and Outstanding Wrestler awards. With a number of good, young people returning, the Broncos are looking forward to the future.

Broncos Reach

1976 State B Championship Final

Coach Dick Olson's Bears impressively snapped up a second straight championship by dumping Coach Denny Humphrey's tough Broncos 37-36 at the Coliseum . . .

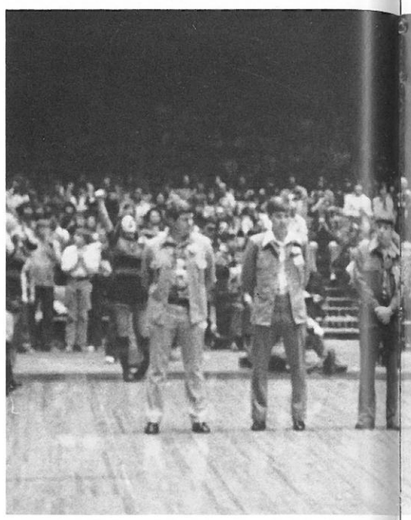

Humphrey's Broncos executed their game plan effectively in the first half. Running a delay game, the Broncos led 8-4 after a quarter as Brewster took only four shots.

Brewster regained the lead in a tense second quarter as Dale Smith and Roger Boesel combined for all the points. Jay Humphrey scored both Bronco baskets, the last one just before the buzzer to cut Brewster's lead to 14-12 . . .

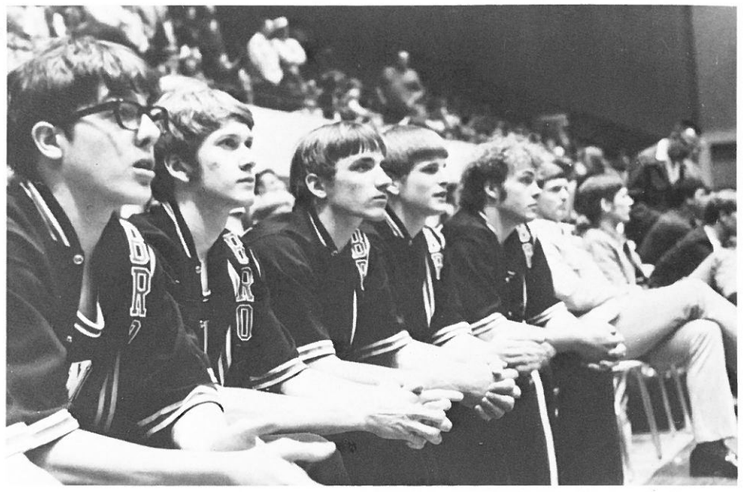

"That's the most anybody has slowed it down against us all year and also the most we've been behind," Olson added.

Humphrey agreed with Olson. "I didn't think we could play with Brewster if we went out and shot 50 or 60 times because Brewster has so much rebounding strength," Humphrey said.

"Our goal was to keep it close near the finish and try to win it at the end. Smith wrecked that when he got hot in the third quarter." — The Spokesman Review

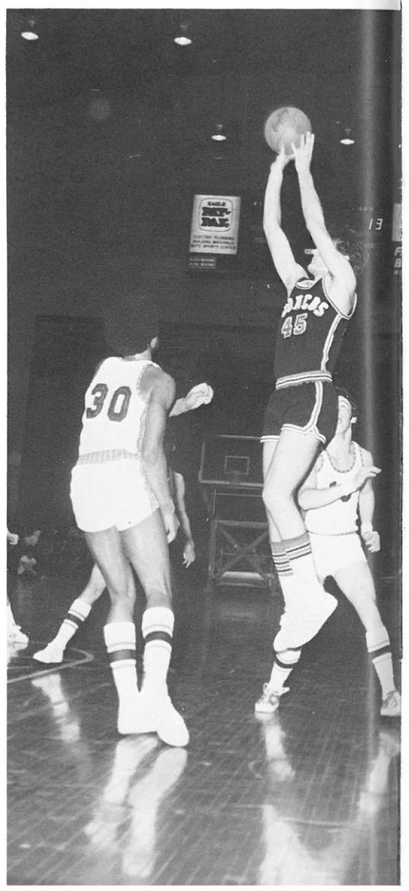

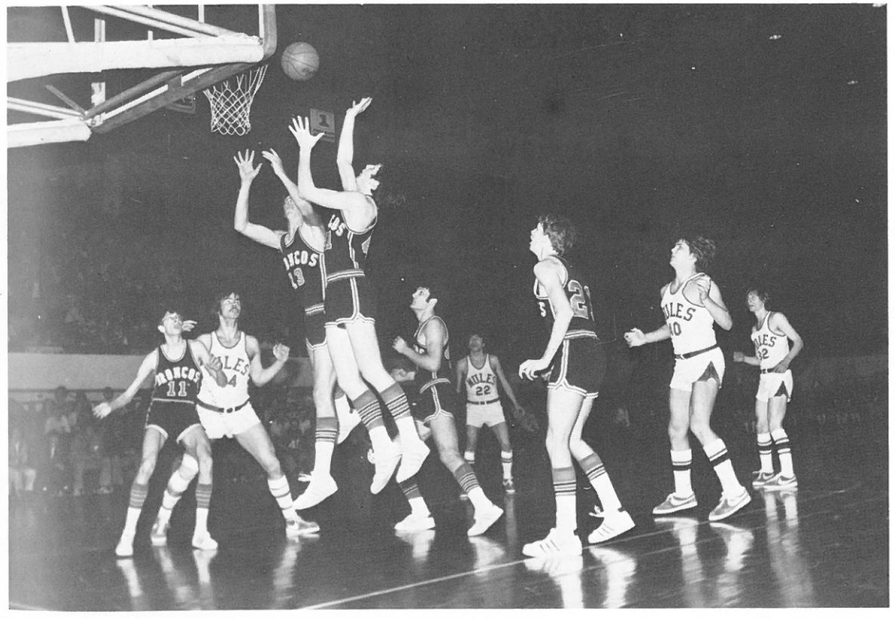

Reaching the pinnacle of State B basketball, the chance to play for the state championship, is the dream every season of 99 B teams in the state. In 1975-76 the Ritzville Broncos, utilizing talent, fine coaching and that intangible factor, heart, made this dream come true.

Senior Dirk Curtis, voted Most Valuable and Most Inspirational Player during the season, and sophomore Steve Kembel, voted Most Improved, anchored a tough Bronco defense. Seniors Lance Kettleson and Brion Burghard also made contributions to the Ritzville basketball program for which they can be proud.

The Bronco junior varsity finished second in the Bi-County while posting a 17-3 won-lost mark and registered a second consecutive winning season.

The girls finished a successful season, losing in the district tournament to the eventual state championship team. It was a year of changes and improvement. Rebounding and assists were emphasized and scoring sixty points in one game was the high mark of the season. The junior varsity gained a lot of needed experience, finishing with a 3-5 record under the leadership of Coach Sharon Rosenburg. With only one senior on the varsity, the girls look to be much tougher in 1976-77.

Baseball Stresses Action

Top left: The Bronco bench seems happy during our typical nice baseball weather. Top right: Bruce Reeve demonstrates his fielding technique to Pat Kennedy and Al Talecky. Bottom left: The tools of the trade, the Bronco gear. Center: Larry Arlt and Nick Klemmer once again try to get their signals straight. Left: Coach Mark Baier and stat girls Bobbi Barnes and Naomi Tilden attempt to make sense out of the whole affair.

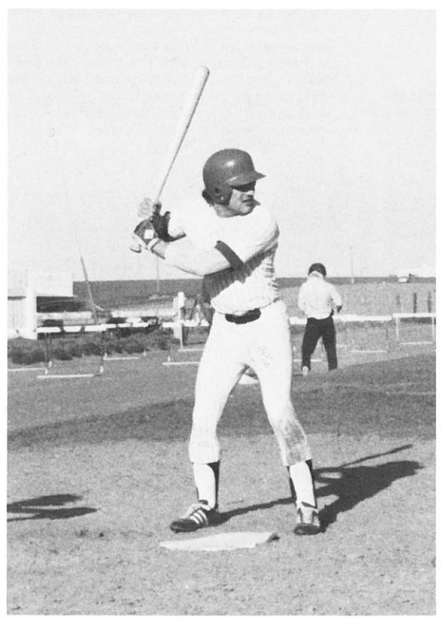

Right: Bruce Reeve nearly nails another runner trying to take a big lead off first. Bottom left: Bob Bowman demonstrates the form that was responsible for his .350 batting average. Bottom right: Nick Klemmer pitched better as the season progressed and averaged over one strikeout per inning.

With thirteen boys turning out in the cold, windy weather of March, the Broncos began practice for the 1976 season. While the won-lost record wasn't impressive, several younger players saw lots of action and the team played good baseball the latter half of the season.

Seniors Pat Kennedy at second, Bob Bowman at short, Bill Markum in left and Nick Klemmer on the mound provided the experience and leadership which the Broncos needed.

Over the years RHS baseball has established a fine tradition and with the continued interest and dedication of this year's players, as well as those to come, Ritzville can once again reassert itself in the Bi-County.

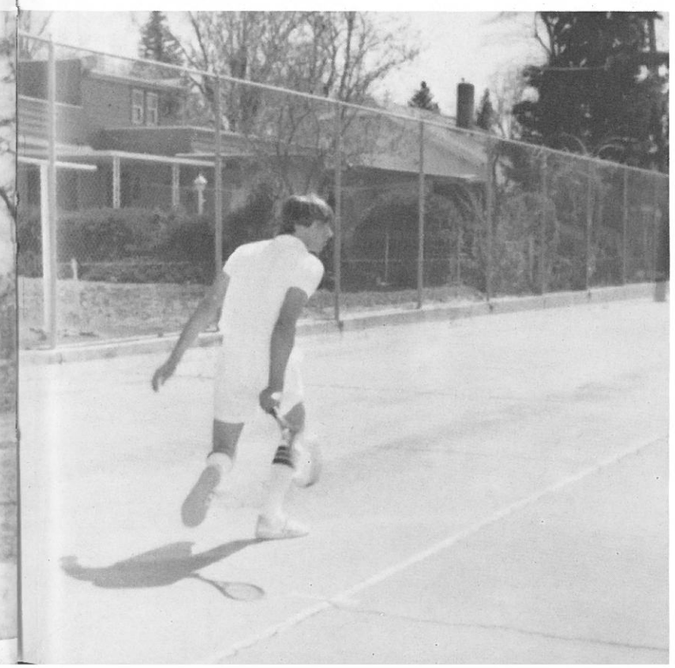

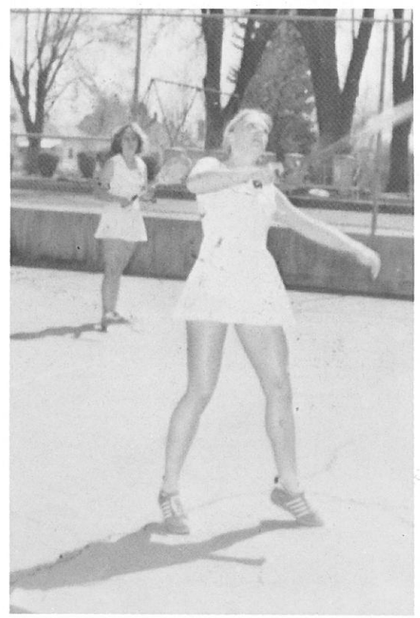

Tennis Team Shows Promise

The 1976 Bronco tennis team finished with a 3-6-1 win-loss record. Youth and inexperience were the trademarks of the team, providing Bronco tennis enthusiasts with promise for the future. Five sophomores and one frosh played first for the Broncos this year.

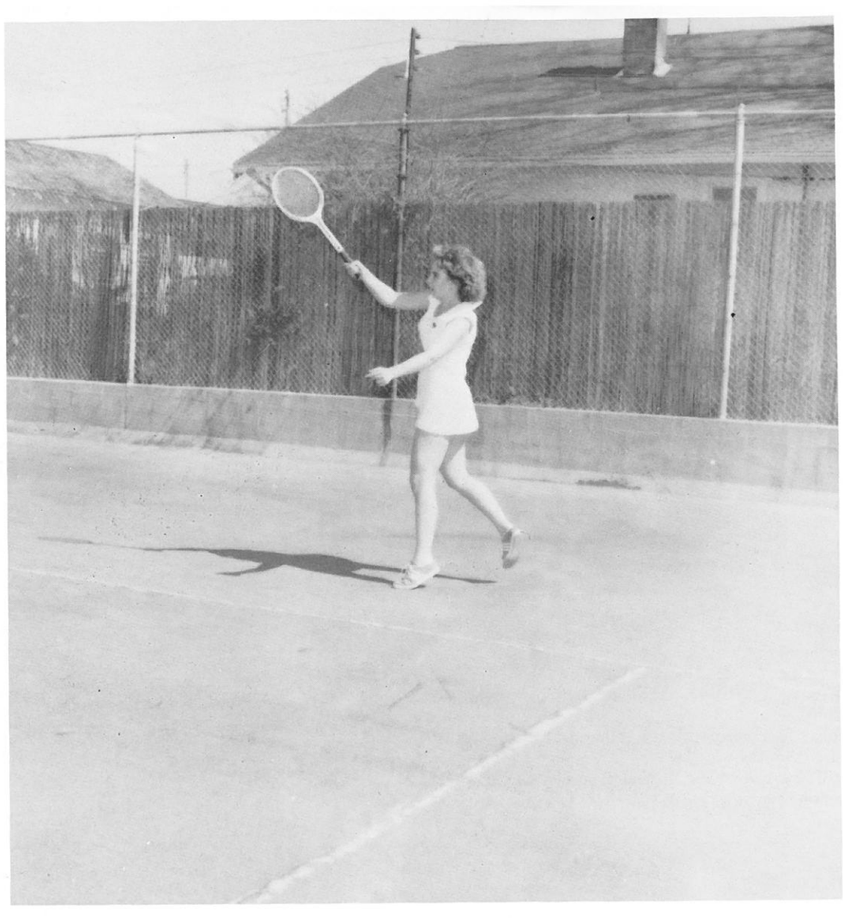

The Bi-County tournament at Reardan and the Junior Varsity tournament at Sprague provided the biggest excitement of the year. Diane Kagele and Dixie Taylor, playing girls' doubles, finished second in the Bi-County tournament. Liz Schuoler finished in fourth place in girls' singles at Reardan. Lori Heider won the girls' singles event at the Junior Varsity tournament at Sprague.

The Broncos were coached by Paul Engle and the assistant coach was Sharon Rosenburg.

Below: Brad Gering, a promising freshman, executes his winning form. Top center: Liz Schuoler capped her tennis career with a fine senior season. Top right: Sophomore Darlene McCormick will help RHS tennis with a stroke like this. Bottom left: Tami Schafer is the kind of girl who keeps both feet on the ground—usually. At least Dixie used to think so. Bottom center: That's right, Brad, let Susan Kison do it all. Bottom right: Dixie Taylor seems uncertain whether this is tennis or some new form of physical torture.

RHS Track Stars

Track was a very successful spring sport this year. Coach Humphrey and Coach Olsen opened the season by recruiting thirteen guys and thirteen girls. The RHS athletes were among the best in our Bi-County, with the girls taking second place in the season ending meet and the boys capturing the big first place trophy. The boys went on to capture third in the District meet held at SCC, but only one girl and five boys advanced to the State "A" meet in Yakima. Those who advanced: Karma Arlt, Jay Humphrey, Marty Sackmann, Mitch Hille, Dirk Curtis and Scott Fitch.

Top: Brian Webley easily clears the bar in the high jump. Far right: Just like Mitch to always play in the sand. Bottom left: Kristel Partlow gets help from her team after the girls' mile. Center left: Connie Fitch was another girl who tried and liked the mile. Center right: Jill Babbitt gave the team strength in the field events with points in the shot. Far right: Run just a little faster Susan and you'll catch her.

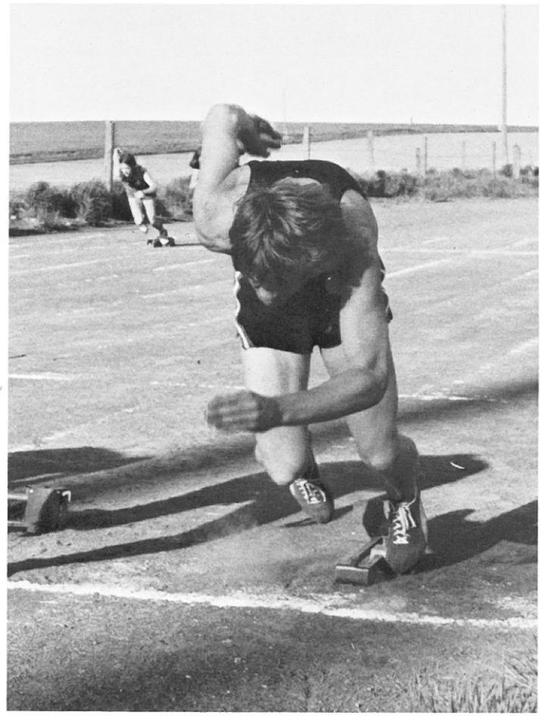

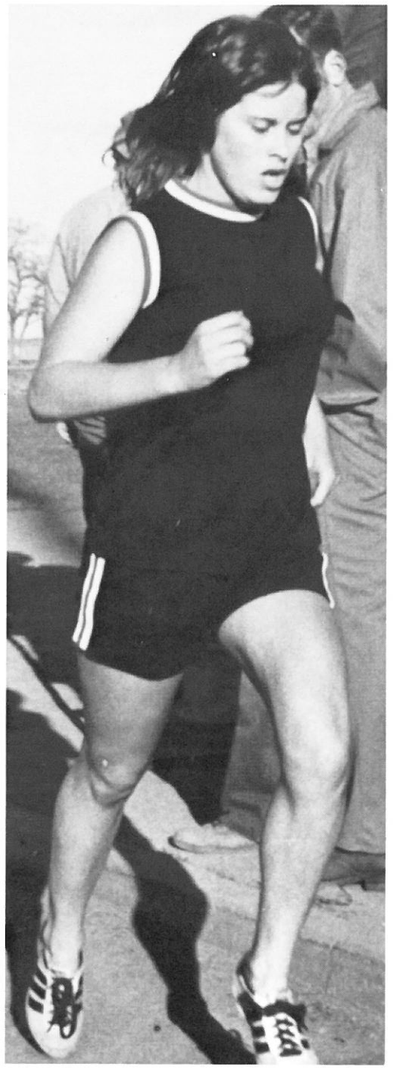

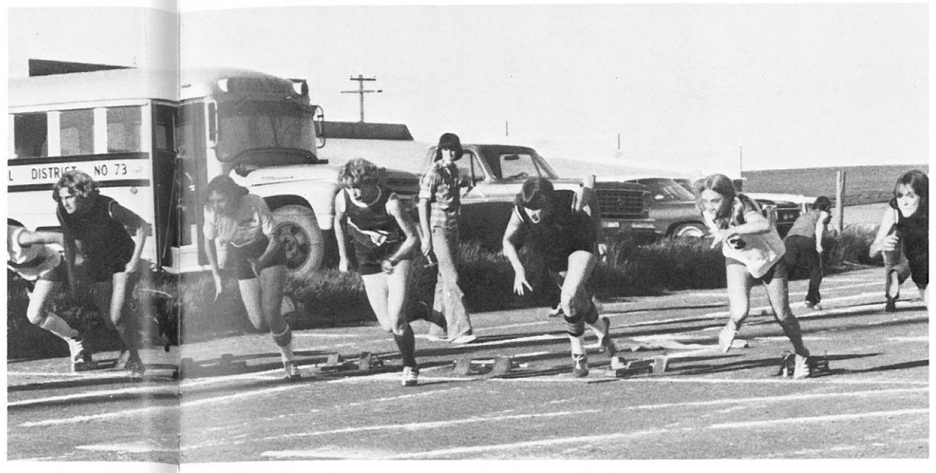

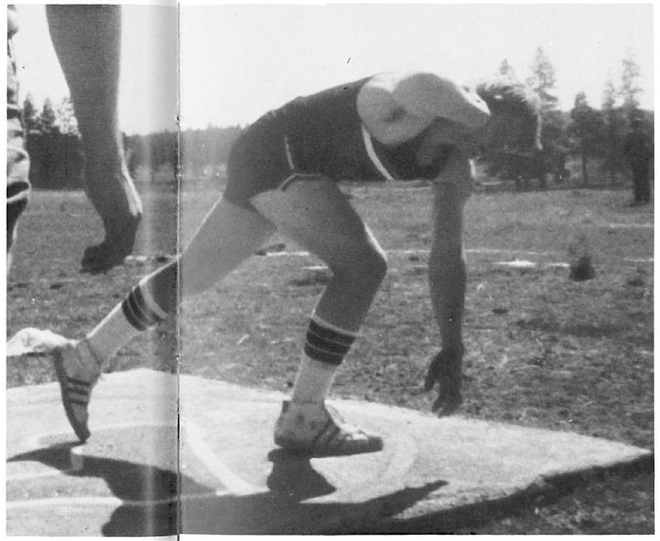

Below: Jay Weise competed in the 100 yard dash. Right: Kristel Partlow ran the tough 880. Top right: Karma Arlt, Mary Reimers and Connie Fitch participated in the low hurdles. Top far right: Mary Reimers demonstrates her low hurdle form. Bottom left: Resting Scott? Bottom right: Karma Arlt and Connie Fitch near the finish in the low hurdles. Middle: Lance Kettleson put the shot. Far middle right: Susan Gering competed in the girls' 100 yard dash.

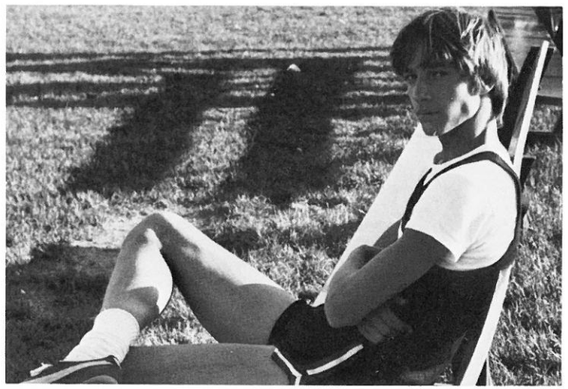

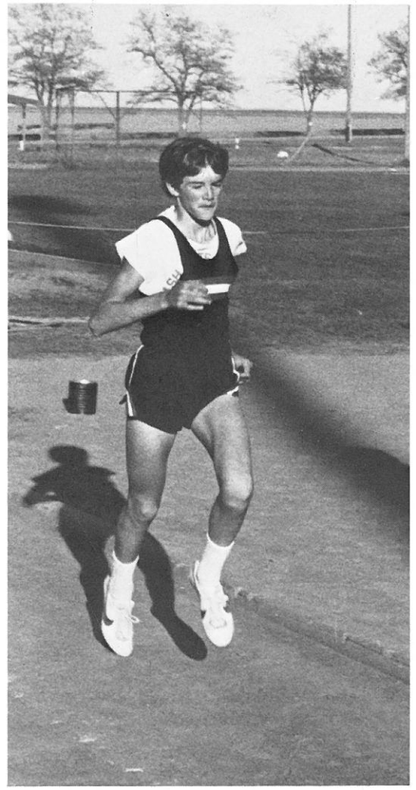

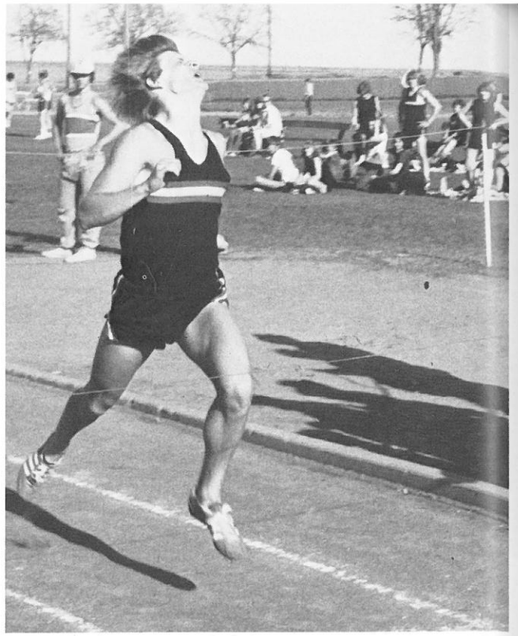

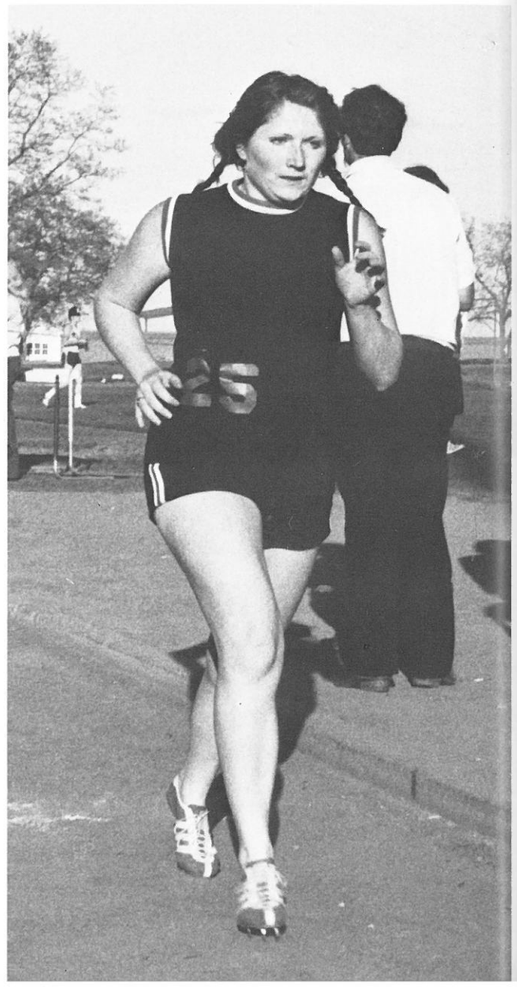

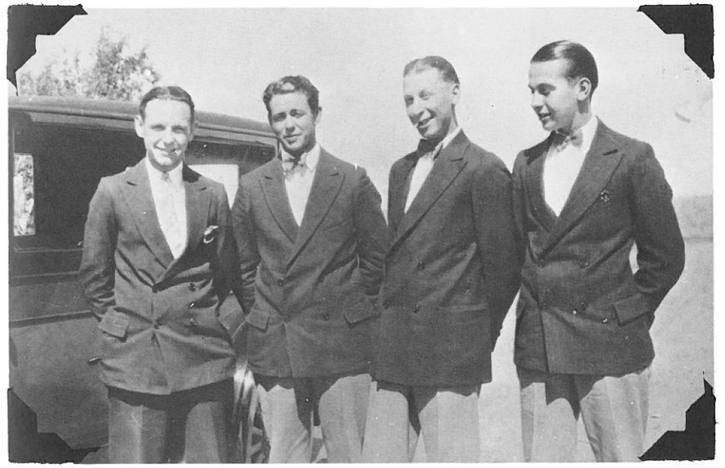

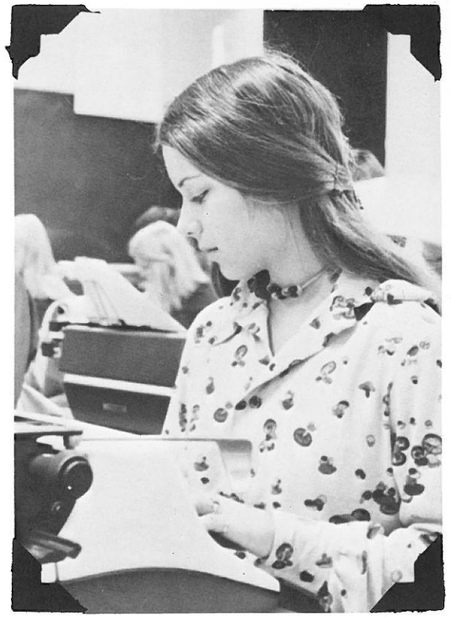

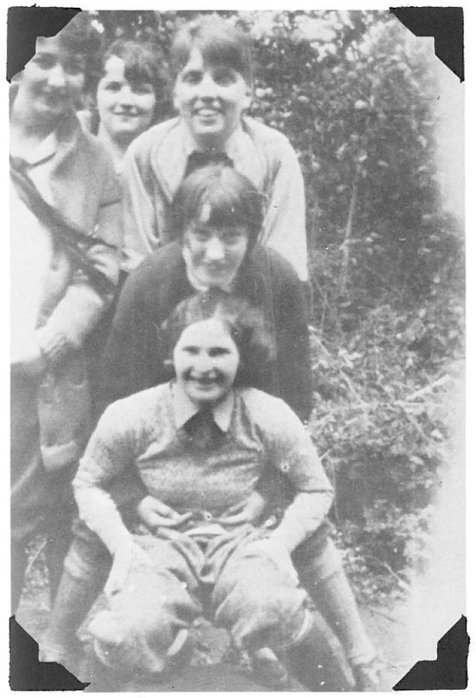

Top right: Marty Sackmann competed in the boys' 100 yard dash at the State meet in Yakima. Right: Rocky Perkins ran the boys' two mile. Bottom left: Mitch Hille nearly placed in the triple jump at the meet in Yakima. Bottom right: Sheree Rice participated in the girls' mile for Coach Don Olsen.

In an effort to raise money, the sophomore class had a coke toss booth at the Adams County Fair and held record dances during the football and basketball seasons. During basketball season they also operated concessions and held a cake raffle. We were very thankful for our class advisor, Mrs. Gayle McGlenn, who did a super job in making sure all of our activities were well organized.

Although the sophomores finished a disappointing third in the competitions during Homecoming Week, the spirit they displayed through their participation in all school activities throughout the year made them a class of which RHS could be proud.

Staffs Work to Improve

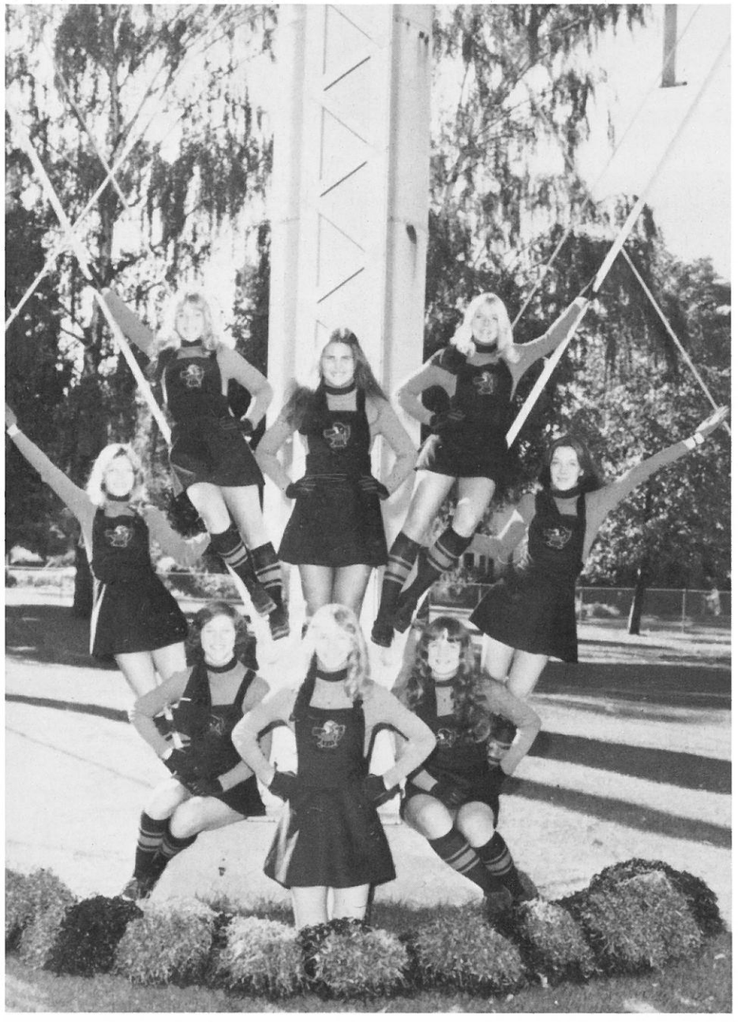

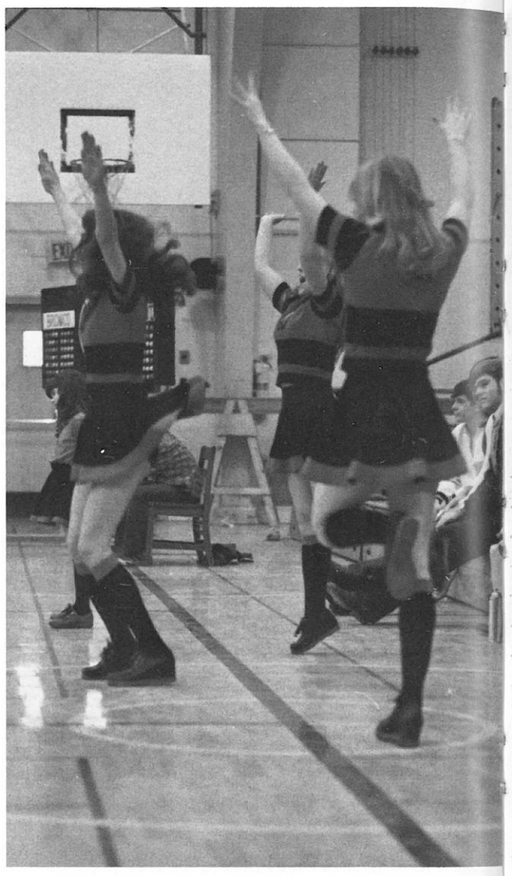

Hey Lets Cheer!

The 1975-76 cheerleaders were a set of the "lucky" ones. We were honored to be able to cheer the RHS football team on to become Bi-County Co-Champs. During the winter the cheerleaders brought the two winter sports closer together, creating a feeling of true sportsmanship . . . Also, a felt sign was installed on the north wall of the gym by the cheerleaders designating it as "Home of the Broncos". At the end of the season we were fortunate to cheer at both the State Wrestling Tournament and State B Tournament. We say, "Thank you, Broncos," for doing your best so we could do our best.

That's Where the Music Takes Me

Band and choir participated in a wide variety of events this year. The band kicked off its year by participating in the fair parade on Labor Day Weekend. Participation in W.S.U.'s band day came next. Over 60 percent of the band and choir members were members of the Bi-County Honor Band and Choir Festival. In December both groups presented a Christmas concert. The choir performed a joint concert with the Spokane Symphony in March, again in April, and also sang at the community Good Friday services. The band performed in its usual spirited manner during football and basketball season, marched in the Lilac Parade, participated in an all grade band concert, and performed for the Lind student body. Both musical groups went to contest and received excellent ratings.

"Friends, I will remember you,
think of you, pray for you."

Another year has come and gone, so slow, yet so fast. The Kernel staff has tried to capture some of the more exciting, humorous, and moving moments of this past year.

Although we tried our best to cover each organization, class, and sport as well as possible, there are some we just didn't. My sincerest apologies go to the girls' volleyball team for the poor coverage.

Without pictures there can be no yearbook, so a hearty thanks to Butchett Studio, Mr. John Pavlik, and Mr. Bert Kendrick for the great pictures and Mr. Baier for not only the pictures, but also the use of his camera. A special thanks goes to my grandmother, Mrs. Emil Hille, and great-aunt, Mrs. Harriet Hille, for the use of their old and precious pictures which were used for the cover and throughout the yearbook.

The yearbook staff was small this year, but I thank all of you who helped throughout the year, especially the seniors who returned the week after graduation and helped me finish all the last minute details.

Last, but most of all, I want to thank my parents, who stuck with me through all the occasional spurts of screams, tears, and near nervous breakdowns that go with being a yearbook editor.

The job of editor is not an easy one. There were many frustrations and sometimes it seemed we would never finish the book. But we did, and it was truly worth all the hard work to finally finish what Doc Gilson called my "Masterpiece." This is your 1976 Kernel. I hope you enjoy it now and for years to come.

"And when another day is through,
I'll still be friends with you."
