Ritzville High School
Ritzville, WA

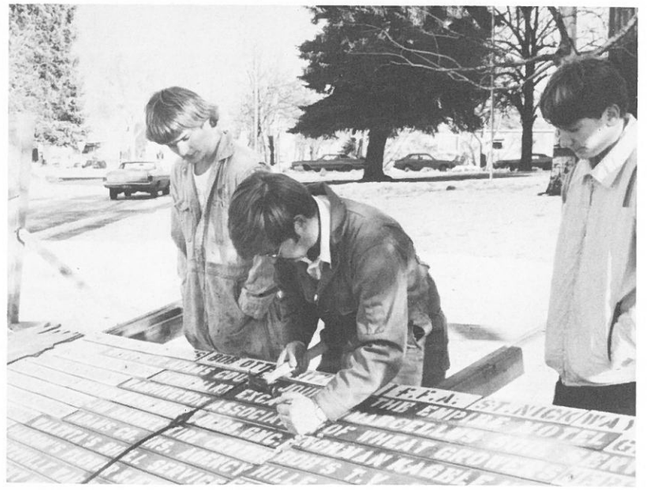

TOGETHER . . .

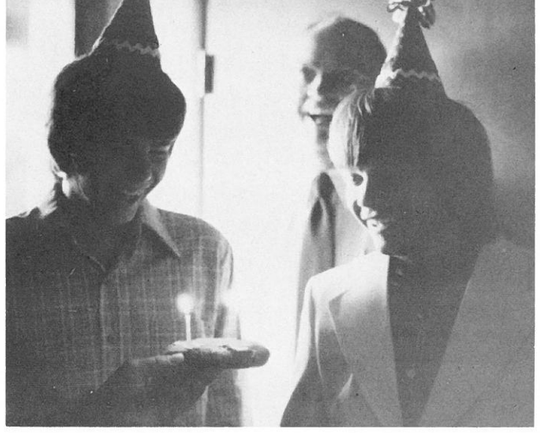

In appreciation for their generous support and encouragement, the 1979 Kernel is dedicated to the community, friends and parents of the students of RHS. Because of their generousity we, the students of RHS, are able to receive the best education possible along with experiencing a sense of working together and cooperation that will become a valuabale asset later on in life.

We'd like to take this opportunity to say thank you for providing this type of environment for us to grow up in.

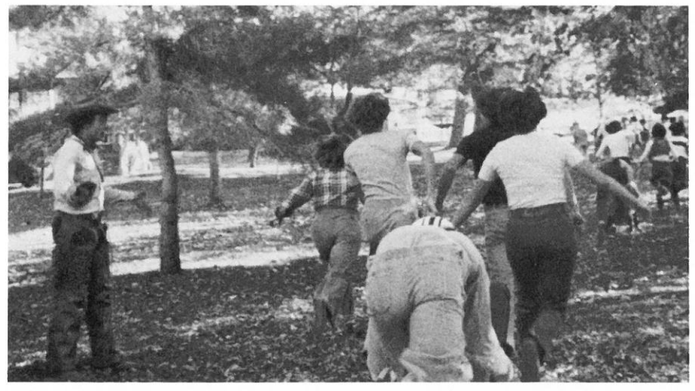

If you know just where you're going,
If you know where this road leads,
Take my hand and walk beside me,
'Cause that's what I need.

Together we can climb the mountain;
Together we can cross the stream;
Together we can watch the sunrise,
And we can dream a dream!

ORGANIZATIONS

Groups of students brought together for some purpose, each member being an important and special part of that organization, participating, working, cooperating, striving, overcoming, producing, achieving, moving in the same direction, creating a quality organization and doing it TOGETHER.

Officers Lead The Way

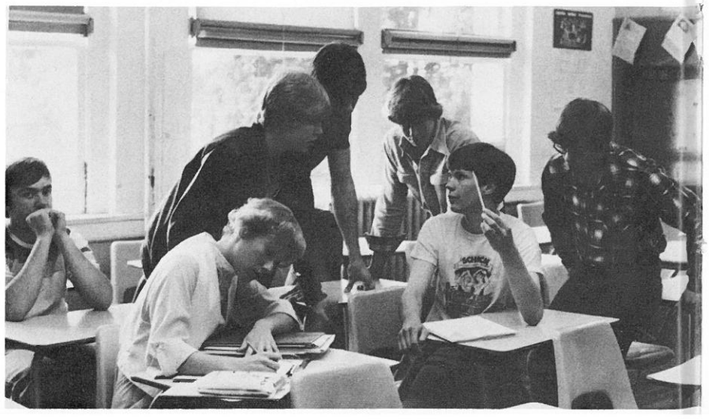

The A.S.B. was led by president Tom Williamson. Tom showed great leadership as he and the other A.S.B. officers, vice-president Doug Weber, Treasurer Mona Sanger, Asst. Treasurer Teresa Babbitt, and Secretary Michele Kagele, had a number of accomplishments during the year. The major achievement for the year was the all school work day which brought in money to buy the new stereo.

The student council also was responsible for setting up a Freshman initiation week during Homecoming. This initation week will be in effect for the 1970-1980 school year.

National Honor Society

Thirteen new initiates were installed into the Ritzville Chapter of Honor Society. They will be following an outstanding group of previous members. This year honor society had an extremely productive year, under the advisorship of Mrs. Renee Matson. Some of the activities for the year included a trip to the King Tut exhibition and the Kingdome and a spaghetti feed. Honor Society sponsored and partcipated in a twenty-eight hour dance marathon raising twelve thousand dollars for Muscular Dystrophy. Two hard working members were honored as "Outstanding Seniors" at a Bi-County Honor Society meeting. Those excelling members were Tawna Wilsey and Michelle Stelzer.

RED R

Ritzville's Red R was a little more active this year than usual. Led by President Dave Koehler, Vice-President Teresa Babbitt, Secretary/Treasurer Robyn Harder, Activities Chairman Lorrie Hodgson and the remaining club members, the group helped out with Junior High Track meets, painted the public swimming pool, painted the Football schedule downtown, held a Business Appreciation Day, and set up the Homecoming bonfire.

The group added to RHS the 30 second clocks for girls basketball.

Only two students were allowed to join Red R this year due to new constitution rules. Leaving us are 17 fine Seniors.

Mr. Webster defines Champion as one who acts or speaks in behalf of a person or cause; a defender; any person or thing receiving or winning first prize or place in competition.

The 1979 Bronco Baseball Team is in every sense a champion. With 22 Wins and only 3 Losses, they have bestowed honor upon themselves, their families, their school, and their coaches.

They were very tough, and confident this year, shown by their record. The Baseball team would like to thank all the fans who gave them support throughout the year.

Boys' Track had a pretty good year again. They took the big trophy at bi-county as well as other various trophies during the year.

The team took all but two members on the team to the district meet at SCC.

E. Koch, Mike Babbitt, Jeff Glaspie, and Jay Humphrey, were the four individuals to qualify for STATE at Yakima.

The girls brought home a good number of trophies this year. The team was formed of a fair number of girls. The girls performed well at district, but weren't quite able to bring home the big trophy.

The team sent three girls on to state. They included Colleen Evans, Teresa Babbitt and Dona Miller. However, Teresa was the only one to place at the state meet. She brought home a third and fourth place ribbon.

Junior-Senior Banquet 1979

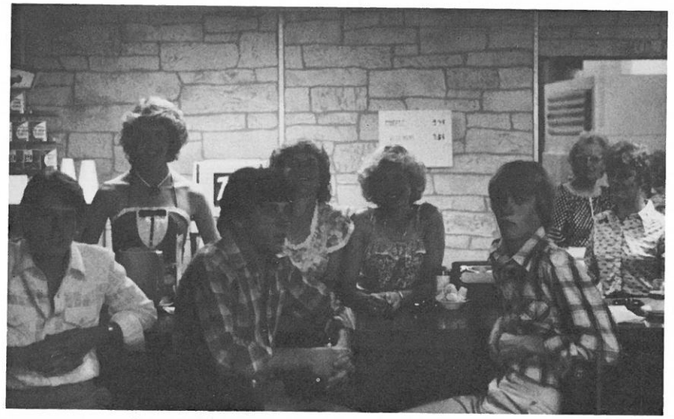

On May 12, 1979 the Junior Class of 1980 held their annual banquet in honor of the Seniors at the Whisperin' Palms.

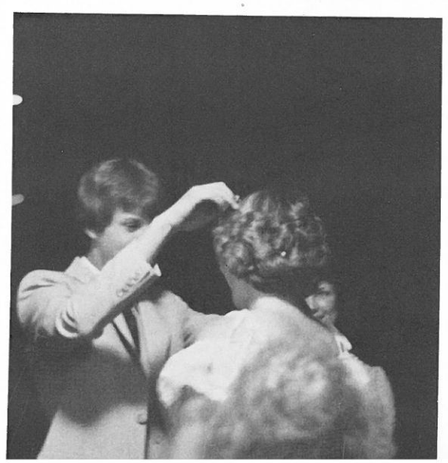

Senior Class Advisor Mr. Melvin Hurst was the guest speaker while Miss Julie Kagele, member of the Junior class provided the guests with two vocal selections, accompanied by Michelle Stelzer, of the Senior class.

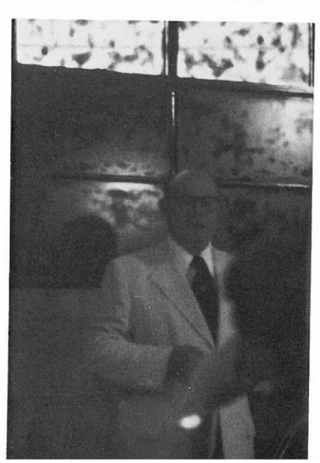

Selected for this year's King and Queen of the Prom were Mike Babbitt and Lori Heider.

Six Sophomores proved to be excellent slaves as they ran back and forth from the kitchen carrying food for the upperclassmen.

"Learn from Yesterday, Live for Today, Look to Tomorrow."

As another school year comes to an end, so does the finishing of another yearbook.

This year has had many exciting moments and events to remember and we, the annual staff, have tried to make the 1979 Kernel your book by capturing the moments you want to remember. We tried some new ideas this year, hoping to make this yearbook special.

Many thanks go to the many talented people responsible for the production of this book. First of all, I'd like to thank the students and faculty for their cooperation, especially when it came to picture days. They all went smoothly, thanks to you. Thanks also to the Journal and its staff, Ritzville Drug, Paul Provinsal and Burt Kendrick for their help. A very special thank you goes to Dorian and its staff for the fantastic job they did for us. The community of Ritzville and the businesses that contributed and bought ads also deserve a very special thank you. Without you the annual would be an impossibility. And last but not least a big thank you goes to the annual staff, photographers Doug and Lori and to our advisor, Miss Otto. Thanks for a super job! You've been super to work with and can be very proud of the work you've done.

This year has been a very special year for me as a senior as well as editor. Even with all its ups and downs, this position has been a very rewarding experience. I just hope each of you will enjoy this book as much as I have enjoyed watching it fall together.

Thanks RHS and Ritzville for being such a wonderful place to grow up in and for the many memories.

Memories have magical ways
of bringing back favorite
yesterdays.
